Lease of Equipment

BETWEEN

BANKERS TRUST COMPANY,
as Trustee,

AND

TRAILER TRAIN COMPANY

Dated as of December 1, 1972

LEASE OF EQUIPMENT dated as of **December 1, 1972** between **BANKERS TRUST COMPANY**, a New York corporation (hereinafter called the Lessor), as Trustee under a Trust Agreement dated as of **December 1, 1972**, with **GENERAL ELECTRIC CREDIT CORPORATION** (hereinafter called the Beneficiary), and **TRAILER TRAIN COMPANY**, a Delaware corporation (hereinafter called the Lessee).

WHEREAS the Lessor is entering into three Manufacturing Agreements, each dated as of **December 1, 1972 (hereinafter called the Manufacturing Agreements)**, with the Lessee and Pullman Incorporated (Pullman-Standard division), Bethlehem Steel Corporation and ACF Industries, Incorporated (hereinafter called the Manufacturers), pursuant to which the Lessor has agreed to purchase and take delivery of the railroad equipment (a) described in Schedule A hereto and (b) described in each supplement hereto executed and delivered **prior to July 2, 1973**, substantially in the form of Schedule B hereto (each such supplement being hereinafter called a Supplement and all such railroad equipment described in Schedule A hereto and in all Supplements being hereinafter sometimes called the Equipment); *provided, however*, that the total Invoiced Purchase Price (as hereinafter defined) of the Equipment **and the total Invoiced Purchase Price of the Equipment under, and as defined in, the Lease of Equipment dated as of November 1, 1972, between the parties hereto shall in no event exceed \$20,000,000; and**

WHEREAS the Lessee has agreed to lease from the Lessor all the units of the Equipment, or such lesser number of units as are delivered and accepted and settled for under the third paragraph of Article 3 of the Manufacturing Agreements on or prior to **July 2, 1973**, at the rentals and for the term and upon the conditions hereinafter provided **(hereinafter called the Units); and**

WHEREAS the Lessor and the Lessee will enter into an Equipment Trust Agreement to be dated as of **July 1, 1973 (herein called the Equipment Trust Agreement)**, with a corporate trustee (hereinafter called the Trustee), substantially in the form of Exhibit A

hereto, under which security title to the Units will be conveyed to the Trustee until the Lessor fulfills all its obligations under the Equipment Trust Agreement;

Now, **THEREFORE**, in consideration of the premises and of the rentals to be paid and the covenants hereinafter mentioned to be kept and performed by the Lessee, the Lessor hereby leases the Units to the Lessee upon the following terms and conditions, but subject and subordinate to all the rights and remedies of the Trustee under the Equipment Trust Agreement.

§ 1. *Delivery and Acceptance of Units.* The Lessor will cause each Unit accepted pursuant to a Manufacturing Agreement to be delivered to the Lessee at the same point or points within the United States of America at which such Unit is delivered to the Lessor under such Manufacturing Agreement, such point or points, however, to be mutually acceptable to the Lessor and the Lessee. Upon such delivery, the Lessee will cause an inspector of the Lessee to inspect the same, and if such Unit is found to be acceptable, to accept delivery of such Unit and to execute and deliver to the Lessor a Lessee's Certificate (as defined in the Equipment Trust Agreement and complying with the provisions of Section 4.04(a) thereof), whereupon such Unit shall be deemed to have been delivered to and accepted by the Lessee under this Lease and shall be subject thereafter to all the terms and conditions of this Lease. Such Lessee's Certificate shall be absolutely binding upon the Lessee. Any Unit substituted under the Equipment Trust Agreement pursuant to the second paragraph of Section 4.01 thereof shall likewise be substituted under this Lease.

§ 2. *Rentals.* The Lessee agrees to pay to the Lessor, as rental for each Unit subject to this Lease, 31 consecutive semiannual payments, **payable on January 1 and July 1 in each year commencing July 1, 1973.** The first such semiannual rental payment shall be in an amount equal to interest (computed on the basis of a 360-day year of twelve 30-day months) on the Invoiced Purchase Price (as defined in the Manufacturing Agreements) of each Unit from the 31st day following the date of acceptance of such Unit pursuant to § 1 hereof to and

including July 1, 1973, at a rate per annum equal to the prime rate which Manufacturers Hanover Trust Company, New York, New York, would charge at 11:00 a. m. on May 1, 1973, for 90-day loans to borrowers of the highest credit standing. The remaining semi-annual rental payments shall each be in an amount equal to that percentage of the Invoiced Purchase Price of each Unit

subject to this Lease on the date of such payment which is set forth below opposite the dividend rate per annum applicable to the Trust Certificates issued pursuant to the Equipment Trust Agreement:

Dividend Rate	Payments 2-11	Payments 12-31
7¼%	2.3250%	5.7773%
7½%	2.3625	5.8018
8	2.4000	5.8263
8⅛%	2.4375	5.8508
8¼	2.4750	5.8753

If the dividend rate per annum applicable to the Trust Certificates is not expressly set forth above, the percentages of Invoiced Purchase Price constituting semiannual rental payments shall be calculated by interpolating or extrapolating the percentages of Invoiced Purchase Price set forth above. If the Trust Certificates are not issued/on or prior to July 2, 1973, and if the Lessor pays to the Manufacturers more than 40% of the Purchase Price (as defined in the Manufacturing Agreements) of the Units, then the semiannual rental payments due after July 1, 1973, shall be increased to such amount or amounts as shall, in the reasonable opinion of the Lessor, cause the Lessor's net return to equal the net return that would have been realized by the Lessor if the Trust Certificates had been issued; the Casualty Values set forth in § 6 hereof shall be similarly adjusted.

, or if Trust Certificates in an aggregate amount less than 60% of the Purchase Price (as hereinafter defined are issued,

If any of the semiannual rental payment dates referred to above is not a Business Day (as defined in the Equipment Trust Agreement), the semiannual rental payment otherwise payable on such date shall be payable on the next succeeding Business Day, and no interest shall

in aggregate principal amount equal to 60% of the Purchase Price

accrue for the period from and after the nominal date for payment thereof to such next succeeding Business Day.

Notwithstanding anything to the contrary contained herein, any and all sums paid by the Lessee pursuant to its guaranty set forth in the first paragraph of Section 7.01 of the Equipment Trust Agreement in respect of the obligations set forth in Sections 5.04(c), (d) and (e) thereof not attributable to an Event of Default (as hereinafter defined) hereunder or to late payment shall be thereupon deemed to have been paid in reduction or satisfaction, to the extent thereof, of any rental payments then due and payable by the Lessee to the Lessor under this § 2.

Unless the Equipment Trust Agreement is not executed and delivered, the Lessor irrevocably instructs the Lessee to make all the payments provided for in this Lease, during the original term hereof (other than the first semiannual rental payment and any amount payable in respect of a Unit which has not been settled for pursuant to Section 4.02 of the Equipment Trust Agreement by reason of such Unit having suffered a Casualty Occurrence, which rental payment and amount shall be paid to the Lessor at such place as the Lessor shall specify in writing), at the principal corporate trust office of the Trustee, for the account of the Lessor, in care of the Trustee, with instructions to the Trustee first to apply such payments to satisfy the obligations of the Lessor under the Equipment Trust Agreement known to the Trustee to be due and payable on the date such payments are due and payable hereunder and second, so long as no Event of Default under the Equipment Trust Agreement shall have occurred and be continuing, to pay any balance promptly to the Lessor in immediately available funds at such place as the Lessor shall specify in writing. If the Equipment Trust Agreement is not executed and delivered, all payments provided for in this Lease shall be made at such place as the Lessor shall specify in writing. The Lessee agrees to make each payment provided for herein as contemplated by this paragraph in immediately available funds in the city where such payment is to be made.

This Lease is a net lease and the Lessee shall not be entitled to any abatement of rent, reduction thereof or set-off against rent, in-

cluding, but not limited to, abatements, reductions or set-offs due or alleged to be due to, or by reason of, any past, present or future claims of the Lessee against the Lessor under this Lease or otherwise or against the Trustee; nor, except as otherwise expressly provided herein, shall this Lease terminate, or the respective obligations of the Lessor or the Lessee be otherwise affected, by reason of any defect in or damage to or loss of possession or loss of use of or destruction of all or any of the Units from whatsoever cause, the prohibition of or other restriction against the Lessee's use of all or any of the Units, the interference with such use by any person or entity, the invalidity or unenforceability or lack of due authorization of this Lease or lack of right, power or authority of the Lessor to enter into this Lease or the Equipment Trust Agreement, or by reason of any failure by the Lessor to perform any of its obligations herein contained, or for any other cause whether similar or dissimilar to the foregoing, any present or future law to the contrary notwithstanding, it being the intention of the parties hereto that the rents and other amounts payable by the Lessee hereunder shall continue to be payable in all events in the manner and at the times herein provided unless the obligation to pay the same shall be terminated pursuant to the express provisions of this Lease.

§ 3. *Term of Lease.* The term of this Lease as to each Unit shall begin on the date of the acceptance thereof by the Lessee pursuant to § 1 hereof and, subject to the provisions of §§ 6, 9 and 12 hereof, shall terminate on the date on which the final semiannual payment of rent in respect thereof is due hereunder.

§ 4. *Identification Marks.* The Lessee will cause each Unit to be kept numbered with the identifying number set forth in Schedule A hereto, or in the case of any Unit not there listed such identifying number as shall be set forth in any amendment or supplement hereto extending this Lease to cover such Unit, and will keep and maintain plainly, distinctly, permanently and conspicuously marked on each side of such Unit, in letters not less than one inch in height, the following words: "OWNED BY A BANK OR TRUST COMPANY UNDER A SECURITY

AGREEMENT FILED UNDER THE INTERSTATE COMMERCE ACT, SECTION 20c", or other appropriate words designated by the Lessor or the Trustee, with appropriate changes thereof and additions thereto as from time to time may be required by law or reasonably requested in order to protect the title of the Lessor and the security title of the Trustee to such Unit and the rights of the Lessor under this Lease and the Equipment Trust Agreement and of the Trustee under the Equipment Trust Agreement. The Lessee will not place any such Unit in operation or exercise any control or dominion over the same until such words shall have been so marked on both sides thereof and will replace promptly any such words which may be removed, defaced or destroyed. The Lessee will not change or permit to be changed the identifying number of any Unit except in accordance with a statement of new numbers to be substituted therefor, which statement previously shall have been filed with the Trustee and the Lessor and filed, recorded and deposited by the Lessee in all public offices where this Lease and the Equipment Trust Agreement shall have been filed, recorded and deposited.

Each Unit may be lettered "Trailer Train Company", "T.T.X.", or in some other appropriate manner for convenience of identification of the interests of the Lessor and the Lessee therein. Except as above provided, the Lessee will not allow the name of any person or entity to be placed on any of the Trust Equipment as a designation which might be interpreted as a claim of ownership.

§ 5. *Taxes.* All payments to be made by the Lessee hereunder will be free of expense to the Lessor and the Trustee for collection or other charges and will be free of expense to the Lessor and the Trustee with respect to the amount of any local, state, federal or foreign taxes (other than any United States federal income tax [and, to the extent that the Lessor is entitled to credit therefor against its United States federal income tax liability, any foreign income tax] payable by the Lessor in consequence of the receipt of payments provided herein and other than the aggregate of all state or local income taxes or franchise taxes measured by net in-

come based on such receipt, except any such tax which is in substitution for or relieves the Lessee from the payment of taxes which it would otherwise be obligated to pay or reimburse as herein provided, and other than any taxes payable by the Trustee in consequence of the receipt by the Trustee of fees or compensation for services rendered under the Equipment Trust Agreement) or license fees, assessments, charges, fines or penalties (all such taxes, license fees, assessments, charges, fines and penalties being hereinafter called impositions) hereafter levied or imposed upon or in connection with or measured by this Lease, the Equipment Trust Agreement or any of the instruments or agreements referred to herein or therein or contemplated hereby or thereby, or any sale, rental, use, payment, shipment, delivery or transfer of title under the terms hereof, the Equipment Trust Agreement or any such instruments or agreements, all of which impositions the Lessee assumes and agrees to pay on demand in addition to the payments to be made by it provided for herein. The Lessee will also pay promptly all impositions which may be imposed upon any Unit or for the use or operation thereof or upon the earnings arising therefrom (except as provided above) or upon the Lessor solely by reason of its ownership thereof or upon the Trustee solely by reason of its security title thereto and any impositions upon or on account of the trust created by the Equipment Trust Agreement or the transactions contemplated thereby (whether or not such transactions shall actually be consummated) or the instruments or agreements referred to therein or contemplated thereby, and will keep at all times all and every part of such Unit free and clear of all impositions which might in any affect the title of the Lessor and the security title of the Trustee (or the interests of the holders of the Equipment Trust Certificates issued under the Equipment Trust Agreement) therein or result in a lien or security interest upon any such Unit and will supply the Lessor and the Trustee with a receipt or other evidence of such payment satisfactory to the Lessor and the Trustee; *provided, however*, that the Lessee shall be under no obligation to pay any impositions so long as it is contesting in good faith and by appropriate legal proceedings such impositions and the nonpayment thereof does not, in the opinion of the Lessor or the

Trustee, adversely affect the title, property or rights of the Lessor or the Trustee hereunder or under the Equipment Trust Agreement. If any imposition shall have been charged or levied against the Lessor or the Trustee directly and paid by the Lessor or the Trustee, the Lessee shall reimburse the Lessor or the Trustee, as the case may be, on presentation of an invoice therefor. The Lessor agrees that if, in the opinion of independent tax counsel selected by the Lessor and acceptable to the Lessee, a bona fide claim exists to all or a portion of any imposition in respect of which the Lessee has made payment to the Lessor as aforesaid, the Lessor shall, upon request and at the expense of the Lessee, take all such legal or other appropriate action deemed reasonable by said independent counsel in order to sustain such claim. The Lessor shall not be obligated to take any such legal or other appropriate action unless the Lessee shall first have indemnified the Lessor for all liabilities and expenses which may be entailed therein and shall have furnished the Lessor with such reasonable security therefor as may be requested. The Lessee shall be entitled to the proceeds of the successful prosecution of any such claim.

In the event any reports with respect to impositions are required to be made, the Lessee will either make such reports in such manner as to show the interests of the Lessor and the Trustee in the Units, if such is necessary or appropriate, or will notify the Lessor and the Trustee of such requirement and will make such reports in such manner as shall be satisfactory to the Lessor and the Trustee.

In the event that, during the continuance of this Lease, the Lessee shall become liable for the payment or reimbursement of any impositions pursuant to this § 5, the Lessee shall become liable for all impositions accrued or levied during, or based on or applicable to, the term of this Lease, and such liability shall continue, notwithstanding the termination of this Lease, until all such impositions are paid or reimbursed by the Lessee.

§ 6. *Payment for Casualty Occurrences.* Whenever any Unit shall be or become worn out, lost, stolen, destroyed or irreparably damaged, from any cause whatsoever, or taken or requisitioned by condem-

nation or otherwise (such occurrences being hereinafter called Casualty Occurrences) during the original or any extended term of this Lease, or until such Unit shall have been returned in the manner provided in § 13 hereof, the Lessee shall, promptly after it shall have been determined that such Unit has suffered a Casualty Occurrence, deliver to the Lessor and the Trustee a Lessee's Certificate (as defined in the Equipment Trust Agreement) fully informing them with respect thereto and complying with the provisions of Section 5.07 of the Equipment Trust Agreement. On the rental payment date next succeeding the delivery of such Lessee's Certificate (or, in the event such rental payment date [other than the first rental payment date] will occur within 60 days after such delivery, on the following rental payment date, or, in the event the original or any extended term of this Lease will expire within 60 days after such delivery, on such expiration date or any other date thereafter within 60 days of such delivery, or, in the event that such Unit shall not have been settled for pursuant to Section 4.02 of the Equipment Trust Agreement at the time of such delivery, on the date such Unit would have been so settled for but for such Casualty Occurrence) the Lessee shall pay to the Lessor an amount equal to the accrued rental for such Unit to the date of such payment plus a sum equal to the Casualty Value (as hereinafter defined) of such Unit as of such payment date in accordance with the schedule set out below. Upon the making of such payment by the Lessee in respect of any Unit, the rental for such Unit shall cease to accrue as of the date of such payment, the term of this Lease as to such Unit shall terminate and (except in the case of the loss, theft or complete destruction of such Unit) the Lessor shall be entitled to recover possession of such Unit. If the date upon which the making of such payment by the Lessee in respect of any Unit is required as aforesaid shall be after the original or any extended term of this Lease in respect of such Unit, no rental for such Unit shall accrue after the end of such term but the Lessee, in addition to paying the Casualty Value for such Unit, shall pay interest thereon at the prime rate of interest which the Trustee would charge on the date of such payment for 90-day loans to borrowers of the highest credit standing, from the end of such term to the date of such payment.

The Casualty Value of each Unit as of any rental payment date shall be the greater of (x) the Fair Value thereof as determined pursuant to Section 5.07 of the Equipment Trust Agreement and (y) that percentage of the Cost of such Unit as is set forth in the following schedule opposite the number of such rental payment date:

Rental Payment Date No.	Percentage	Rental Payment Date No.	Percentage

Except as hereinabove in this § 6 provided, the Lessee shall not be released from its obligations hereunder in the event of, and shall bear the risk of, any Casualty Occurrence to any Unit after delivery to and acceptance thereof by the Lessee hereunder.

The Lessee will at all times while this Lease is in effect, at its own expense, cause to be carried and maintained insurance in respect of the Units at the time subject hereto, and public liability insurance, in amounts and against risks customarily insured against by railroad companies on similar equipment, and in any event in amounts and against risks comparable to those insured against by the Lessee on similar equipment owned by it. Any net insurance proceeds as the result of insurance carried by the Lessee or condemnation payments received by the Lessor in respect of Units suffering a Casualty Occurrence shall be deducted from the amounts payable by the Lessee to the

Lessor in respect of Casualty Occurrences pursuant to this § 6. If the Lessor shall receive any such net insurance proceeds or condemnation payments after the Lessee shall have made payments pursuant to this § 6 without deduction for such net insurance proceeds or such condemnation payments, the Lessor shall pay such proceeds or payments to the Lessee up to an amount equal to the Casualty Value paid by the Lessee and any balance of such proceeds or payments shall remain the property of the Lessor.

§ 7. *Annual Reports.* On or before April 1 in each year, commencing with the year 1974, the Lessee will furnish to the Lessor and the Trustee, in such number of counterparts or copies as may reasonably be requested, a Lessee's Certificate, as of the preceding December 31, (i) showing the amount, description and numbers of all Units then leased hereunder and the amount, description and numbers of all Units that may have suffered a Casualty Occurrence during the preceding 12 months (or since the date of this Lease in the case of the first such Lessee's Certificate), and such other information regarding the condition and state of repair of the Units as the Lessor or the Trustee may reasonably request and (ii) stating that, in the case of all Units repaired or repainted during the period covered thereby, the markings required by § 4 hereof and Section 5.06 of the Equipment Trust Agreement have been preserved or replaced. The Lessor shall have the right at its sole cost, risk and expense, by its agents, to inspect the Units and the records of the Lessee with respect thereto at such reasonable times as the Lessor may request during the continuance of this Lease.

Within ten days after its annual audit has been completed, but in no event later than six months after the close of each fiscal year, the Lessee will promptly furnish to the Lessor and the Trustee a balance sheet as of the end of such year and a profit and loss statement for the year then ended prepared in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding fiscal year and certified by the Lessee's independent certified public accountants. The Lessee shall also furnish to the Lessor and the Trustee such other financial information as the Lessor or the Trustee may reasonably request from time to time.

As soon as available and in any event within 120 days after the end of each fiscal year, the Lessee will deliver to the Lessor a certificate signed by the President, any Vice President, the Treasurer or any Assistant Treasurer of the Lessee stating that a review of the activities of the Lessee during such year has been made under his supervision with a view to determining whether the Lessee has kept, observed, performed and fulfilled all of its covenants and obligations under this Lease, the Equipment Trust Agreement and the Trust Certificates and that to the best of his knowledge the Lessee during such year has kept, observed, performed and fulfilled each and every covenant and obligation contained herein and in the Equipment Trust Agreement and the Trust Certificates, or if an Event of Default under this Lease or the Equipment Trust Agreement shall exist or if an event has occurred which, with the giving of notice or the passage of time or both, would constitute such an Event of Default, specifying such Event of Default or such event and the nature and status thereof.

§ 8. *Disclaimer of Warranties; Compliance with Laws, Rules and Regulations; Maintenance; Indemnification.* **The Lessor makes no warranty or representation, either express or implied, as to the design or condition of, or as to the quality of the material, equipment or workmanship in, the Units delivered to the Lessee hereunder, and the Lessor makes no warranty of merchantability or fitness of the Units for any particular purpose or as to its title to the Units or any component thereof,** it being agreed that all such risks, as between the Lessor and the Lessee, are to be borne by the Lessee; but the Lessor hereby irrevocably appoints and constitutes the Lessee its agent and attorney-in-fact during the term of this Lease to assert and enforce from time to time, in the name of and for the account of the Lessor and/or the Lessee, as their interests may appear, at the Lessee's sole cost and expense, whatever claims and rights the Lessor may have against the manufacturer of the Units or of the components thereof. The Lessor shall have no responsibility or liability to the Lessee or any other person with respect to any of the following: (i) any liability, loss or damage caused or alleged to be caused directly or indirectly by any Units or by any inadequacy thereof or deficiency or defect therein

or by any other circumstances in connection therewith; (ii) the use, operation or performance of any Units or any risks relating thereto; (iii) any interruption of service, loss of business or anticipated profits or consequential damages; or (iv) the delivery, operation, servicing, maintenance, repair, improvement or replacement of any Units. The Lessee's acceptance of delivery of the Units shall be conclusive evidence as between the Lessee, the Lessor and the Trustee that all Units described in any Lessee's Certificate confirming such acceptance are in all the foregoing respects satisfactory to the Lessee and the Lessee will not assert any claim of any nature whatsoever against the Lessor or the Trustee based on any of the foregoing matters.

The Lessee agrees, for the benefit of the Lessor and the Trustee, to comply in all respects with all laws of the jurisdictions in which operations involving any Unit subject to this Lease may extend, with the Interchange Rules of the Association of American Railroads, if applicable, and with all lawful rules of the Interstate Commerce Commission, if applicable, the Department of Transportation and any other legislative, executive, administrative or judicial body or officer exercising any power or jurisdiction over any such Unit, to the extent such laws and rules affect the operations or use of such Unit; and the Lessee shall and does hereby indemnify the Lessor and the Trustee and agrees to hold the Lessor and the Trustee harmless from and against any and all liability that may arise from any infringement or violation of any such laws or rules by the Lessee, the Lessee's employees or any other person. In the event that such laws or rules require the alteration of any Unit or in case any equipment or appliance on any such Unit shall be required to be changed or replaced, or in case any additional or other equipment or appliance is required to be installed on such Unit in order to comply with such laws and rules, the Lessee agrees to make such alterations, changes, additions and replacements at its own expense and to use, maintain and operate such Unit in full compliance with such laws and rules so long as such Unit is subject to this Lease; *provided, however*, that the Lessee may, in good faith, contest the validity or application of any such law or rule in any reasonable manner which does not, in the opinion of the Lessor or the Trustee,

adversely affect the property or rights of the Lessor or the Trustee hereunder or under the Equipment Trust Agreement.

The Lessee agrees that, at its own cost and expense, it will maintain and keep each Unit (including any parts installed on or replacements made to any Unit and considered an accession thereto as hereinbelow provided) which is subject to this Lease in good order and proper repair.

Any and all additions to any Unit and any and all parts installed on or replacements made to any Unit (other than any special devices, racks or assemblies at any time attached or affixed to any such Unit, the cost or purchase price of which is not included in the Cost of such Unit and the title to which is in a person or entity other than the Lessor, the Lessee or the Trustee) shall be considered accessions to such Unit and, without cost or expense to the Lessor or the Trustee, there shall immediately be vested in the Lessor and the Trustee the same interests in such accessions as the interests of the Lessor and the Trustee in such Unit. The Lessee may make alterations or modifications to any Unit so long as they do not affect the value of such Unit adversely. The Lessee shall not permit any special device, rack or assembly to be attached or affixed to any Unit which may not be readily removed from such Unit without materially impairing such Unit or the value thereof unless such special device, rack or assembly is to be considered an accession to such Unit.

The Lessee agrees to indemnify and save harmless the Lessor and the Trustee against any charge or claim made against the Lessor or the Trustee and against any expense, loss or liability (including but not limited to counsel fees and expenses, patent liabilities, penalties and interest) which the Lessor or the Trustee may incur in any manner by reason of the issuance of the Trust Certificates or by reason of entering into or performing the Equipment Trust Agreement, this Lease, any of the instruments or agreements referred to therein or herein or contemplated thereby or hereby or the ownership of, or which may arise in any manner out of or as the result of the ordering, acquisition, purchase, use, operation, condition, delivery, rejection, storage or return of, any Unit while subject to this Lease or until no

longer in the possession of or stored by the Lessee, whichever is later, and to indemnify and save harmless the Lessor and the Trustee against any charge, claim, expense, loss or liability on account of any accident in connection with the operation, use, condition, possession or storage of any Unit resulting in damage to property, or injury to or death of any person. The indemnities contained in this paragraph shall survive payment of all other obligations under this Lease and the termination of this Lease.

The Lessee agrees to prepare and deliver to the Lessor within a reasonable time prior to the required date of filing (or, to the extent permissible, file on behalf of, and furnish a copy to, the Lessor) any and all reports known by the Lessee to be required to be filed by the Lessor, or requested by the Lessor to be filed, with any federal, state or other regulatory authority by reason of the ownership by the Lessor of the Units, the security title of the Trustee to the Units or the leasing of the Units to the Lessee.

§ 9. *Default.* If, during the continuance of this Lease, one or more of the following events (herein sometimes called Events of Default) shall occur and be continuing:

A. default shall be made in the payment of any part of the rental provided in § 2, 12 or 17 hereof and such default shall continue for seven days; or

B. the Lessee shall make or permit any unauthorized assignment or transfer of this Lease or any unauthorized sublease or use of the Units, or any thereof; or

C. default shall be made in the observance or performance of any other of the covenants, conditions and agreements on the part of the Lessee contained herein or in the Equipment Trust Agreement and such default shall continue for 20 days after written notice from the Lessor to the Lessee specifying the default and demanding that the same be remedied; or

D. any proceeding shall be commenced by or against the Lessee for any relief under any bankruptcy or insolvency laws, or laws relating to the relief of debtors, readjustments of indebted-

ness, reorganizations, arrangements, compositions or extensions (other than a law which does not permit any readjustment of the obligations of the Lessee hereunder) and, unless such proceedings shall have been dismissed, nullified, stayed or otherwise rendered ineffective (but then only so long as such stay shall continue in force or such ineffectiveness shall continue), all the obligations of the Lessee under this Lease, under the Equipment Trust Agreement and under the guaranty endorsed on the Trust Certificates shall not have been duly assumed in writing, pursuant to a court order or decree, by a trustee or trustees or receiver or receivers appointed (whether or not subject to ratification) for the Lessee or for the property of the Lessee in connection with any such proceedings in such manner that such obligations shall have the same status as obligations incurred by such a trustee or trustees or receiver or receivers, within 30 days after such appointment, if any, or 60 days after such proceedings shall have been commenced, whichever shall be earlier;

then, in any such case, the Lessor, at its option, may:

(a) proceed by appropriate court action or actions, either at law or in equity, to enforce performance by the Lessee of the applicable covenants of this Lease or to recover damages for the breach thereof; or

(b) by notice in writing to the Lessee terminate this Lease, whereupon all rights of the Lessee to the use of the Units shall absolutely cease and determine as though this Lease had never been made, but the Lessee shall remain liable as hereinafter provided; and thereupon the Lessor may by its agents enter upon the premises of the Lessee or other premises where any of the Units may be and take possession of all or any of the Units and thenceforth hold, possess and enjoy the same free from any right of the Lessee, its successors or assigns, to use the Units for any purposes whatever; but the Lessor shall, nevertheless, have a right to recover from the Lessee any and all amounts which under the terms of this Lease may be then due or which may have accrued to the date of

such termination (computing the rental for any number of days less than a full rental period by multiplying the rental for such full rental period by a fraction of which the numerator is such number of days and the denominator is the total number of days in such full rental period) and also to recover forthwith from the Lessee (i) as damages for loss of the bargain and not as a penalty, a sum, with respect to each Unit, which represents the excess of (x) the present value, at the time of such termination, of the entire unpaid balance of all rentals for such Unit which would otherwise have accrued hereunder from the date of such termination to the end of the term of this Lease as to such Unit over (y) the then present value of the rentals which the Lessor reasonably estimates to be obtainable for the Unit during such period, such present value to be computed in each case on the basis of a 6% per annum discount, compounded semiannually from the respective dates upon which rentals would have been payable hereunder had this Lease not been terminated, (ii) any damages and expenses, including reasonable attorneys' fees, in addition thereto which the Lessor shall have sustained by reason of the breach of any covenant or covenants of this Lease other than for the payment of rental and (iii) an amount which, after deduction of all taxes required to be paid by the Lessor in respect of the receipt thereof under the laws of the United States of America or any political subdivision thereof, shall, in the reasonable opinion of the Lessor, cause the Lessor's net return under this Lease to be equal to the net return that would have been available to the Lessor if it had been entitled to utilization of all or such portion of the 7% investment credit (hereinafter called the Investment Credit) with respect to the Cost of the Units pursuant to Section 38 and related sections of the Internal Revenue Code of 1954, as amended, lost, not claimed, not available for claim, disallowed or recaptured by or from the Lessor as a result of the breach of one or more of the representations, warranties and covenants made by the Lessee in § 17 or any other provision of this Lease or the sale or other disposition of the Lessor's interest in any Unit after the occurrence of an Event of Default, plus such

sum as shall, in the reasonable opinion of the Lessor, cause the Lessor's net return under this Lease to be equal to the net return that would have been available to the Lessor if it had been entitled to utilization of all or such portion of the maximum depreciation deduction with respect to the Units authorized under Section 167 of the Internal Revenue Code utilizing the "class life" prescribed in accordance with Section 167(m) of said Code (hereinafter called the ADR Deduction) which was lost, not claimed, not available for claim or disallowed or recaptured in respect of a Unit as a result of the breach of one or more of the representations, warranties and covenants made by the Lessee in § 17 or any other provision of this Lease, the inaccuracy of any statement in any letter or document furnished to the Lessor by the Lessee, the termination of this Lease, the Lessee's loss of the right to use such Unit or the sale or other disposition of the Lessor's interest in such Unit after the occurrence of an Event of Default.

The remedies in this Lease provided in favor of the Lessor shall not be deemed exclusive, but shall be cumulative, and shall be in addition to all other remedies in its favor existing at law or in equity. The Lessee hereby waives any mandatory requirements of law, now or hereafter in effect, which might limit or modify the remedies herein provided, to the extent that such waiver is permitted by law. Subject to the provisions of the third paragraph of § 2 hereof, the Lessee hereby waives any and all existing or future claims to any offset against the rental payments due hereunder and agrees to make rental payments regardless of any offset or claim which may be asserted by the Lessee or on its behalf.

The failure of the Lessor to exercise the rights granted it hereunder upon the occurrence of any of the contingencies set forth herein shall not constitute a waiver of any such right upon the continuation or recurrence of any such contingencies or similar contingencies.

§ 10. *Return of Units Upon Default.* If this Lease shall terminate pursuant to § 9 hereof, the Lessee shall forthwith deliver possession of the Units to the Lessor. Each Unit returned to the Lessor

pursuant to this § 10 shall (i) be in the same operating order, repair and condition as when originally delivered to the Lessee, reasonable wear and tear excepted, (ii) have attached or affixed thereto any special device, rack or assembly considered an accession thereto as provided in § 8 hereof and have removed therefrom any special device, rack or assembly not so considered an accession thereto and (iii) meet the standards then in effect under the Interchange Rules of the Association of American Railroads, if applicable. For the purpose of delivering possession of any Unit or Units to the Lessor as above required, the Lessee shall at its own cost, expense and risk:

A. forthwith and in the usual manner and at usual speed, cause such Units to be transported to such point or points as shall reasonably be designated by the Lessor, and

B. permit the Lessor to store such Units on any lines of railroad or premises approved by the Lessor until such Units have been sold, leased or otherwise disposed of by the Lessor.

The assembling, delivery, storage and transporting of the Units as hereinbefore provided shall be at the expense and risk of the Lessee and are of the essence of this Lease, and upon application to any court of equity having jurisdiction in the premises the Lessor shall be entitled to a decree against the Lessee requiring specific performance of the covenants of the Lessee so to cause the assembly, delivery, storage and transporting of the Units. During any storage period, the Lessee will permit the Lessor or any person designated by it, including the authorized representative or representatives of any prospective purchaser of any Unit, to inspect the same; *provided, however*, that the Lessee shall not be liable, except in the case of negligence of the Lessee or of its employees or agents, for any injury to, or the death of, any person exercising, either on behalf of the Lessor or any prospective purchaser, the rights of inspection granted under this sentence.

Without in any way limiting the obligation of the Lessee under the foregoing provisions of this § 10, the Lessee hereby irrevocably appoints the Lessor as the agent and the attorney of the Lessee, with full power and authority, at any time while the Lessee is obligated to deliver pos-

session of any Unit to the Lessor, to demand and take possession of such Unit in the name and on behalf of the Lessee from whomsoever shall be at the time in possession of such Unit. In connection therewith the Lessee will supply the Lessor with such documents as the Lessor may reasonably request.

§ 11. *Assignment; Possession and Use.* This Lease shall be assignable in whole or in part by the Lessor without the consent of the Lessee, but the Lessee shall be under no obligation to any assignee of the Lessor except upon written notice of such assignment from the Lessor. All the rights of the Lessor hereunder (including but not limited to the rights under §§ 5, 8, 9 and 17 hereof) shall inure to the benefit of the Lessor's assigns as if named herein as Lessor. Whenever the term Lessor is used in this Lease it shall apply and refer to the Lessor and the Beneficiary and each assignee of the Lessor and, where the context so requires (including, but not limited to, certain of the provisions of §§ 5, 9 and 17 hereof), shall refer only to the Beneficiary.

So long as no Event of Default exists hereunder and the Lessee shall have fully complied with the provisions of the fifth paragraph of this § 11 and the third paragraph of § 17 hereof, the Lessee shall be entitled to the possession of the Units and also to sublease the Units to, or to permit their use under the terms of car contracts by, a railroad company or companies incorporated in the United States of America (or any State thereof or the District of Columbia), upon lines of railroad owned or operated by such railroad company or companies, or over which such railroad company or companies have trackage rights or rights for operation of their trains, and upon connecting and other carriers in the usual interchange of traffic, but only upon and subject to all the terms and conditions of this Lease.

Any such sublease may provide that the sublessee, so long as it shall not be in default under such sublease, shall be entitled to the possession of the Units included in such sublease and the use thereof; *provided, however*, that every such sublease shall be subject to the rights and remedies of the Trustee under the Equipment Trust Agreement and the Lessor under this Lease in respect of the Units covered

by such sublease upon the occurrence of an Event of Default thereunder or hereunder.

The Lessor shall have the right to declare this Lease terminated in case of any unauthorized assignment or transfer of the Lessee's rights hereunder or in case of any unauthorized transfer or sublease of any of the Units.

The Lessee, at its own expense, will as soon as possible cause to be duly discharged any lien, charge, security interest or other encumbrance (except as aforesaid and other than an encumbrance resulting from claims against the Lessor or the Trustee not related to the ownership or leasing of, or the security title of the Trustee to, the Units) which may at any time be imposed on or with respect to any Unit including any accession thereto or the interest of the Lessor, the Trustee or the Lessee therein. The Lessee shall not, without the prior written consent of the Lessor, part with the possession or control of, or suffer or allow to pass out of its possession or control, any of the Units, except to the extent permitted by the provisions of this § 11.

§ 12. *Purchase and Renewal Options.* Provided that this Lease has not been earlier terminated, no Event of Default exists hereunder and the Lessee is not otherwise in default hereunder, the Lessee may, by written notice delivered to the Lessor not less than six months prior to the end of the original term of this Lease or any extended term hereof, as the case may be, elect (a) to purchase all, but not fewer than all, the Units then covered by this Lease at the end of the original or any extended term of this Lease for a purchase price equal to the Fair Market Value of such Units as of the end of such term or (b) to extend the term of this Lease in respect of all, but not fewer than all, the Units then covered by this Lease, for up to two five-year periods commencing on the scheduled expiration of the original term of this Lease, provided that no such extended term shall extend beyond **July 1, 1998, at a rental payment in 10 semi-annual payments, payable on January 1 and July 1 in each year** of the extended term, each in an amount equal to

(a) during the first five-year period, 50% of an amount equal to each semiannual instalment which would be required to pay, in 30 equal

semiannual instalments of principal and interest, the principal of the Assumed Amount (as hereinafter defined) together with interest thereon payable semiannually at the rate per annum borne by the Trust Certificates, where the "Assumed Amount" means the aggregate amount of principal which would be paid if the last 20 semiannual rental payments hereunder during the initial term for each

Unit **were being made in payment, in 20 equal** semiannual instalments of principal and interest, of a fixed amount of principal together with interest thereon payable semiannually at the rate per annum borne by the Trust Certificates and (b) during the second five-year period, the Fair Rental Value of each such Unit at the end of the first five-year period.

Fair Market Value and Fair Rental Value shall be determined on the basis of, and shall be equal in amount to, the value which would obtain in an arm's length transaction between an informed and willing buyer-user or lessee, as the case may be (other than (i) a lessee currently in possession and (ii) a used equipment dealer), and an informed and willing seller or lessor, as the case may be, under no compulsion to sell or lease and, in such determination, costs of removal from the location of current use shall not be a deduction from such value. If on or before four months prior to the expiration of the term of this Lease or any extended term hereof, the Lessor and the Lessee are unable to agree upon a determination of the Fair Market Value or Fair Rental Value of the Units, such value shall be determined in accordance with the foregoing definition by a qualified independent Appraiser. The term Appraiser shall mean such independent appraiser as the Lessor and the Lessee may mutually agree upon, or failing such agreement, a panel of three independent appraisers, one of whom shall be selected by the Lessor, the second by the Lessee and the third by the first two so selected. The Appraiser shall be instructed to make such determination within a period of 30 days following appointment, and shall promptly communicate such determination in writing to the Lessor and the Lessee. The determination so made shall be conclusively binding upon both the Lessor and the Lessee. The expenses and fee of the Appraiser shall be borne by the Lessee.

§ 13. *Return of Units upon Termination of Term.* Unless a Unit is purchased by the Lessee as provided in § 12 hereof, as soon as practicable on or after the termination of the original or any extended term of this Lease, as the case may be, the Lessee will, at its own cost and expense, at the request of the Lessor, cause such Unit to be transported to such point or points as shall be reasonably designated by the Lessor immediately prior to such termination and permit the Lessor to store such Unit on any lines of railroad or premises approved by the Lessor for a period not exceeding three months; the assembly, delivery, storage and transporting of such Unit to be at the expense and risk of the Lessee. During any such storage period the Lessee will permit the Lessor or any person designated by it, including the authorized representative or representatives of any prospective purchaser of such Unit, to inspect the same; *provided, however*, that the Lessee shall not be liable except in the case of negligence of the Lessee or of its employees or agents and except to the extent otherwise provided by law, for any injury to, or the death of, any person exercising, either on behalf of the Lessor or any prospective purchaser, the rights of inspection granted under this sentence. The assembling, delivery, storage and transporting of the Units as hereinbefore provided are of the essence of this Lease, and upon application to any court of equity having jurisdiction in the premises, the Lessor shall be entitled to a decree against the Lessee requiring specific performance of the covenants of the Lessee so to cause the assembly, delivery, storage and transporting of the Units. Each Unit returned to the Lessor pursuant to this § 13 shall (i) be in the same operating order, repair and condition as when originally delivered to the Lessee, reasonable wear and tear excepted, (ii) have attached or affixed thereto any special device, rack or assembly considered an accession thereto as provided in § 8 hereof and have removed therefrom any special device, rack or assembly not so considered an accession thereto and (iii) meet the standards then in effect under the Interchange Rules of the Association of American Railroads, if applicable. If the Lessor shall elect to abandon any Unit which has suffered a Casualty Occurrence or which, within 90 days after expiration of this Lease, the Lessor shall elect to abandon, it may deliver

written notice to such effect to the Lessee and the Lessee shall thereupon assume, and hold the Lessor harmless from, all liability arising in respect of any responsibility of ownership thereof, from and after receipt of such notice. The Lessor shall execute and deliver to the Lessee a bill or bills of sale (without warranties) transferring to the Lessee, or upon its order, the Lessor's title to and property in any Unit abandoned by it pursuant to the immediately preceding sentence. The Lessee shall have no liability to the Lessor in respect of any Unit abandoned by the Lessor after termination of this Lease; *provided, however*, that the foregoing clause shall not in any way relieve the Lessee of its obligations pursuant to § 6 hereof to make payments provided for therein in respect of any Unit experiencing a Casualty Occurrence during the original or any extended term of this Lease.

§ 14. *Opinion of Counsel.* On the Closing Date (as defined in the Manufacturing Agreements), the Lessee will deliver to the Lessor and the Trustee the written opinion of counsel of the Lessee, in such number of counterparts as may reasonably be requested, and addressed to the Lessor and the Trustee, in scope and substance satisfactory to them and their counsel, to the effect that:

A. the Lessee is a corporation legally incorporated and validly existing, in good standing, under the laws of the State of Delaware, with full corporate power to enter into this Lease, the Supplements, the Equipment Trust Agreement, the Manufacturing Agreements, any supplements thereto and any equipment purchase agreements relating to the Units (and any assignment thereof);

B. this Lease, the Supplements, the Equipment Trust Agreement, the Manufacturing Agreements, any supplements thereto and any equipment purchase agreements relating to the Units (and any assignment thereof) have been duly authorized, executed and delivered by the Lessee and, assuming the due authorization, execution and delivery thereof by the other parties thereto, constitute valid, legal and binding agreements, enforceable in accordance with their terms; and the Trust Certificates and the guaranty thereof, issued under the Equipment Trust Agreement, have been duly authorized, executed and delivered by the Trustee and the

Lessee, respectively, and are validly issued and outstanding obligations entitled to the benefits of the Equipment Trust Agreement;

C. this Lease, the Supplements and the Equipment Trust Agreement have been duly filed and recorded with the Interstate Commerce Commission pursuant to Section 20c of the Interstate Commerce Act, and will protect the Lessor's title and interest in and to the Units and the Trustee's security title and interest in and to the Units, and no filing, recording or deposit (or giving of notice) with any other federal, state or local government or agency or instrumentality thereof is necessary to protect the title and interest of the Lessor or the security title and interest of the Trustee in and to the Units in the United States of America;

D. no approval of the Interstate Commerce Commission or any other governmental authority is necessary for the execution, delivery or performance of this Lease, the Supplements, the Equipment Trust Agreement, the Manufacturing Agreements, any supplements thereto and any equipment purchase agreements relating to the Units (and any assignment thereof), or if any approval is necessary it has been obtained;

E. the entering into and performance of this Lease, the Supplements, the Equipment Trust Agreement, the Manufacturing Agreements, any supplements thereto and any equipment purchase agreements relating to the Units (and any assignment thereof) will not result in any breach of, or constitute a default under, any indenture, mortgage, deed of trust, bank loan or credit agreement or other agreement or instrument to which the Lessee is a party or by which it may be bound or contravene any provision of law, statute, rule or regulation to which the Lessee is subject or any judgment, decree, franchise, order or permit applicable to the Lessee;

F. no mortgage, deed of trust or other lien of any nature whatsoever which now covers or affects, or which may hereafter cover or affect, any property or interest therein of the Lessee, now attaches or hereafter will attach to the Units or in any manner affects or will affect adversely the Lessor's right, title and

interest therein; *provided, however*, that such liens may attach to the rights of the Lessee hereunder in and to the Units; and

G. registration of the Trust Certificates under the Securities Act of 1933, as amended, and qualification of the Equipment Trust Agreement under the Trust Indenture Act of 1939, as amended, are not required.

Notwithstanding the foregoing, if the Equipment Trust Agreement shall not be executed and delivered on or prior to the Closing Date, such opinion shall not be delivered to nor addressed to the Trustee and shall not refer to the Equipment Trust Agreement nor the Trust Certificates nor the Trustee's security title and interest nor include the matters referred to in paragraph G of this § 14.

§ 15. *Recording and Expenses.* Prior to the delivery and acceptance of any Unit hereunder; the Lessee will without expense to the Lessor cause this Lease, any Supplement relating to such Unit, any assignments hereof and thereof, the Manufacturing Agreements and any supplement thereto relating to such Unit to be filed and recorded with the Interstate Commerce Commission in accordance with Section 20c of the Interstate Commerce Act. The Lessee will undertake the filing and recording required under Section 7.03 of the Equipment Trust Agreement and will from time to time do and perform any other act and will execute, acknowledge, deliver, file, register, record and deposit (and will refile, reregister, rerecord or redeposit whenever required) any and all further instruments required by law or reasonably requested by the Lessor or the Trustee (except as otherwise provided in Section 7.03 of the Equipment Trust Agreement) for the purpose of proper protection, to the satisfaction of the Lessor and the Trustee, of the Lessor's and the Trustee's respective interests in the Units, or for the purpose of carrying out the intention of this Lease and the Equipment Trust Agreement. The Lessee will promptly furnish to the Lessor and the Trustee evidence of all such filing, registering, recording, depositing, refiling, reregistering, rerecording and/or redepositing and an opinion or opinions of counsel for the Lessee with respect thereto satisfactory to the Lessor and the Trustee.

§ 16. *Interest on Overdue Rentals.* Anything to the contrary herein contained notwithstanding, any nonpayment of rentals and other obligations due hereunder shall result in the obligation on the part of the Lessee promptly to pay also an amount equal to interest at the Penalty Rate (as defined in the Equipment Trust Agreement) on the overdue rentals and other obligations for the period of time during which they are overdue.

§ 17. *Federal Income Taxes.* The Lessor, as the owner of the Units, shall be entitled to such deductions, credits and other benefits as are provided by the Internal Revenue Code of 1954, as amended to the date hereof (hereinafter called the Code), to an owner of property, including, without limitation, the Investment Credit (as defined in § 9 hereof), with respect to the Units.

The Lessee agrees that neither it nor any corporation controlled by it, in control of it, or under common control with it, directly or indirectly, will at any time take any action or file any returns or other documents inconsistent with the foregoing and that each of such corporations will file such returns, take such actions and execute such documents as may be reasonable and necessary to facilitate accomplishment of the intent hereof.

Notwithstanding anything to the contrary contained in § 11 hereof, the Lessee represents and warrants that (i) all the Units constitute property the entire Cost of which qualifies for the Investment Credit under Section 50 of the Code; (ii) at the time the Lessor becomes the owner of the Units, the Units will constitute "new section 38 property" within the meaning of Section 48(b) of the Code and at the time the Lessor becomes the owner of the Units, the Units will not have been used by any person so as to preclude "the original use of such property" within the meaning of Sections 48(b) and 167(c)(2) of the Code from commencing with the Lessor; (iii) at all times during the term of this Lease, each Unit will constitute "section 38 property" within the meaning of Section 48(a) of the Code, will not be used predominantly outside the United States within the meaning of said Section 48(a) (or any exception thereto) and will be used by

railroad companies; and (iv) the Lessee will maintain sufficient records to verify such use.

If the Lessor shall lose or shall, in the opinion of independent tax counsel for the Lessor, not have the right to claim, or if there shall be disallowed with respect to the Lessor all or any portion of the Investment Credit or the ADR Deduction (as defined in § 9 hereof) with respect to the Units and such loss, inability to claim or disallowance is based on the inaccuracy in law or in fact of the representations and warranties set forth in the preceding paragraph or is due to any act or omission of the Lessee or is due to the inaccuracy of any statement in any letter or document furnished to the Lessor by the Lessee, the rental rates for the Units set forth in § 2 hereof shall, on the next succeeding rental payment date after written notice to the Lessee by the Lessor of such fact, be increased to such amount or amounts as shall, in the reasonable opinion of the Lessor, cause the Lessor's net return to equal the net return that would have been realized by the Lessor if the Lessor had been entitled to utilize all the Investment Credit and the ADR Deduction, and the Lessee shall forthwith pay to the Lessor as additional rental the amount of any interest and/or penalties which may be assessed by the United States of America against the Lessor attributable to the loss of all or such portion of the Investment Credit or the ADR Deduction.

The Lessee understands that the rental rates provided in § 2 hereof have been calculated on the basis of depreciation deductions with respect to the Units being available on the basis of an 11-year life on one of the accelerated methods of depreciation provided in Section 167(b) of the Code. If the Internal Revenue Service determines that such deductions may only be taken on the basis of a 12-year life, or if such deductions are disallowed because an 11-year life, as distinguished from a 12-year life, was utilized, the rental rates for the Units set forth in § 2 hereof shall, on the next succeeding rental payment date after written notice to the Lessee by the Lessor of such fact, be increased to such amount as shall, in the reasonable opinion of the Lessor, equal the net return that would have been realized by the Lessor if the Lessor had been entitled to utilize such 11-year life and the Lessee shall forthwith pay to the Lessor as additional rental the amount of any interest

and/or penalties that may be assessed by the United States of America against the Lessor attributable to the utilization of such 11-year life. If thereafter the Internal Revenue Service determines that such deductions with respect to the Units may be taken on the basis of an 11-year life, the rental rates for the Units shall, on and after the next succeeding rental payment date after written notice to the Lessor from the Lessee of such fact, be decreased to such amount as shall, in the reasonable opinion of the Lessor, equal such net return.

§ 18. *Notices.* Any notice required or permitted to be given by either party hereto to the other shall be deemed to have been given when deposited in the United States mails, first-class postage prepaid, addressed as follows:

If to the Lessor, at P. O. Box 318, Church Street Station, New York, N. Y. 10015, attention of Corporate Trust Division (with copies to General Electric Credit Corporation, P. O. Box 8300, Stamford, Connecticut 06904 and General Electric Credit Corporation, P. O. Box 81 (North Station), White Plains, N. Y. 10603, attention of Loan Officer);

If to the Lessee, at 300 South Wacker Drive, Chicago, Illinois 60606, attention of Vice President—Finance;

or addressed to either party at such other address as such party shall hereafter furnish to the other party in writing.

§ 19. *Severability; Effect and Modification of Lease.* Any provision of this Lease which is prohibited or unenforceable in any jurisdiction shall be, as to such jurisdiction, ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

This Lease exclusively and completely states the rights of the Lessor and the Lessee with respect to the Units and supersedes all other agreements, oral or written, with respect to the Units, other than the Equipment Trust Agreement and the Manufacturing Agreements.

No variation or modification of this Lease and no waiver of any of its provisions or conditions shall be valid unless in writing and signed by duly authorized officers of the Lessor and the Lessee.

§ 20. *Execution.* This Lease may be executed in several counterparts, each of which so executed shall be deemed to be an original, and such counterparts together shall constitute but one and the same instrument. Although this Lease is dated as of **December 1, 1972**, for convenience, the actual date or dates of execution hereof by the parties hereto is or are, respectively, the date or dates stated in the acknowledgments hereto annexed.

§ 21. *Law Governing.* The terms of this Lease and all rights and obligations hereunder shall be governed by the laws of the State of New York; *provided, however*, that the parties shall be entitled to all rights conferred by Section 20c of the Interstate Commerce Act and such additional rights arising out of the filing, recording or depositing hereof and of any assignment hereof or out of the marking on the Units as shall be conferred by the laws of the several jurisdictions in which this Lease or any assignment hereof shall be filed, recorded or deposited or in which any Unit may be located.

§ 22. *Obligations of Lessor Under Equipment Trust Agreement.* In the event that the Lessor shall become obligated to make any payment (other than pursuant to Section 4.03 of the Equipment Trust Agreement) or to perform any other obligations pursuant to the Equipment Trust Agreement not covered by the provisions of this Lease, the Lessee shall pay such additional amounts to the Trustee and perform such obligations so that the Lessor's obligations (other than pursuant to Section 4.03 of the Equipment Trust Agreement) pursuant to the Equipment Trust Agreement shall be fully complied with.

If the Equipment Trust Agreement is not executed and delivered, any provision of this Lease which must be construed by reference to the Equipment Trust Agreement shall nevertheless be so construed, but all provisions of this Lease relating to the rights and interests of

the Trustee shall be construed with due effect given to such failure of execution and delivery.

§ 23. *No Recourse.* No recourse shall be had in respect of any obligation due under this Lease, or referred to herein, against any incorporator, stockholder, director or officer, as such, past, present or future, of the Lessor or the Lessee, or against the Beneficiary or any other beneficiary of a trust for which the Lessor is acting as trustee, whether by virtue of any constitutional provision, statute or rule of law or by enforcement of any assessment or penalty or otherwise, all such liability, whether at common law, in equity, by any constitutional provision, statute or otherwise, of incorporators, stockholders, directors, officers or beneficiaries being forever released as a condition of and as consideration for the execution of this Lease.

§ 24. *Provisions Concerning Subordinated Notes.* It is the intention of the parties hereto that the obligations of the Lessee under this Lease shall be superior in right of payment to all the Lessee's Thirty Year Subordinated Notes sold or to be sold pursuant to a Note Purchase Agreement dated as of January 1, 1967, between the Lessee and certain of its stockholders. The Lessee covenants and agrees that if an Event of Default exists hereunder or an Event of Default (as defined in the Equipment Trust Agreement) exists under the Equipment Trust Agreement or any event which, with the giving of notice or the lapse of time, or both, would constitute an Event of Default hereunder or under the Equipment Trust Agreement, shall have occurred and be continuing, the Lessee will not voluntarily prepay or retire any of such Notes.

§ 25. *Increase of User Rates.* The Lessee covenants and agrees (i) that, if an Event of Default exists under § 9(A) hereof by reason of the failure of the Lessee to pay to the Trustee within the grace period provided in § 9(A) hereof all or any part of the rentals due and payable under § 2 hereof required for the payment of the principal of or dividends on the Trust Certificates (but not including any principal or

dividends payable by reason of acceleration of the date of payment thereof), the Lessee will, upon written notice by the Lessor so to do, within ten days after receipt of such notice, deliver to all parties to its Form A and Form B car contracts (or such other Forms as may hereafter be used in substitution or in replacement of such Form A and Form B car contracts) due and proper notice of increases in the car user charges under such contracts, (ii) that all car contracts covering any unit or units of railroad equipment of which the Lessee is the owner or the lessee will contain provisions permitting the Lessee to require such increases and (iii) that, except in connection with an assignment or transfer in accordance with the provisions of Section 7.04 of the Equipment Trust Agreement, the Lessee will not assign or transfer its rights and obligations to require such increases under any such car contracts. Such increases shall commence to accrue and shall be effective on the first day of the first calendar month beginning subsequent to ten days after delivery of such notice by the Lessee to the parties to such car contracts. Such increases shall be in such amounts or percentages as will cause to accrue and be payable to the account of the Lessee in respect of the first calendar month during which they are in effect such additional sums of money as will be needed by the Lessee to enable it to pay all such overdue principal and dividends (with interest on overdue principal and dividends at the Penalty Rate, to the extent that it shall be legally enforceable) and to cure any defaults in payment of any principal, dividends or interest (or rentals intended to provide for payment thereof) payable under comparable provisions of any other equipment trust, conditional sale or other equipment agreement of the Lessee not guaranteed jointly and severally by its shareholders or a group of its shareholders (except defaults arising by reason of acceleration of the date of payment of instalments of principal, dividends or interest, or rentals intended to provide for payment thereof), whether heretofore or hereafter entered into, based upon the most recent records or information available to the Lessee relating to the use of its cars. If for any reason any such increases so made by the Lessee shall fail to provide in 90 days sufficient cash to enable the Lessee to cure such

default or defaults hereunder and under any other such agreements, or if cash is provided but is not for any reason applied to cure such defaults, the Lessee will, upon receipt of written notice from the Lessor so to do, promptly make such further increases in its user charges as may from time to time be necessary to enable the Lessee to cure all such defaults hereunder and under such other agreements.

IN WITNESS WHEREOF, the parties hereto, each pursuant to due corporate authority, have caused this instrument to be duly executed as of the date first above written.

All Trust Certificates shall be issued, held and owned upon the express condition that the foregoing provisions are exclusive in respect of the replacement of mutilated, defaced, lost, stolen or destroyed Trust Certificates and shall preclude any and all other rights and remedies, any law or statute now existing or hereafter enacted to the contrary notwithstanding.

SECTION 3.01. *Right of Prepayment.* The Trust Certificates are required to be prepaid in part (a) on **January 1, 1979, and on each January 1 and July 1 thereafter to and including January 1, 1988** through the application of the rental payable to the Trustee pursuant to Section 5.04(d) hereof and (b) on any **January 1 or July 1** through the application of moneys paid to the Trustee pursuant to Section 5.07 hereof, at 100% of the principal amount thereof, together with accrued and unpaid dividends to the date fixed for prepayment.

SECTION 3.02. *Selection of Trust Certificates for Prepayment; Notice of Prepayment.*

(a) On or before the day next preceding a date on which Trust Certificates are to be prepaid pursuant to Section 3.01 hereof, the Trustee shall select for prepayment, subject to the provisions of the next succeeding sentence, a principal amount of Trust Certificates so as to exhaust (i) the amount of rental to be paid by the Company to it in cash pursuant to Section 5.04(d) hereof and (ii) any amount in cash to be paid to it pursuant to Section 5.07 hereof, on the next succeeding **January 1 or July 1**, as the case may be. The Trustee shall select for prepayment on each prepayment date a principal amount of Trust Certificates registered in the name of each holder which bears the same ratio to the aggregate principal amount of all the Trust Certificates to be prepaid on such prepayment date as (y) the aggregate principal amount of Trust Certificates registered in the name of such holder on a date selected by the Trustee not more than 15 days prior to the selection by the Trustee of Trust Certificates for prepayment on such prepayment date bears to (z) the aggregate principal amount of Trust Certificates outstanding on such date.

(b) The Trustee shall send a notice of prepayment by first class mail, postage prepaid, at least ten days prior to each prepayment date to the holders of Trust Certificates to be prepaid in whole or in part, at their last addresses as they shall appear upon the registry books. Failure to give such notice, or any defect therein, as to any Trust Certificate shall not affect the validity of the proceedings for the prepayment of any other Trust Certificate. Any notice which is mailed in the manner herein provided shall be conclusively presumed to have been duly given, whether or not the holder receives the notice.

(c) The notice of prepayment to each holder shall (i) specify the date for prepayment, (ii) state that prepayment of the principal amount of the Trust Certificates or portions thereof to be prepaid will be made by the Trustee only from and out of rentals or other moneys paid to the Trustee by the Company or the Guarantor and applicable thereto and, unless such prepayment is to be made pursuant to the second sentence of the third paragraph of Section 2.02 hereof, that such prepayment will be made at the Corporate Trust Office, upon presentation and

surrender of Trust Certificates so to be prepaid, (iii) specify whether prepayment is being made pursuant to Section 5.04(d) or 5.07 hereof, (iv) state the aggregate principal amount of Trust Certificates to be prepaid in whole or in part and the distinctive numbers of the Trust Certificates of such holder to be prepaid and, in the case of any such Trust Certificates to be prepaid in part, the principal amount thereof to be so prepaid, and (v) state that from and after such prepayment date dividends on such Trust Certificates or on the portions thereof to be prepaid will cease to accrue. The holders of Trust Certificates prepaid in part may, at their option and upon surrender thereof, receive new Trust Certificates for the principal amounts remaining unpaid without charge to such holders.

SECTION 3.03. *Payment of Trust Certificates Selected for Prepayment.* Notice of prepayment having been given as above provided, the Trust Certificates or portions thereof to be prepaid shall become due and payable on such prepayment date and from and after such prepayment date dividends on such Trust Certificates or portions thereof shall cease to accrue, and there having been deposited with the Trustee on or before the prepayment date specified in the notice of prepayment, an amount in cash equal to the aggregate principal amount of all the Trust Certificates or portions thereof then to be prepaid and accrued dividends, such Trust Certificates or portions thereof shall no longer be deemed to be outstanding hereunder and shall cease to be entitled to the benefits of this Agreement except to receive payment from the moneys reserved therefor in the hands of the Trustee. The Trustee shall hold the prepayment moneys in trust for the holders of the Trust Certificates or portions thereof to be prepaid and (subject to the provisions of the second sentence of the third paragraph of Section 2.02 hereof) shall pay the same to such holders respectively upon presentation and surrender of such Trust Certificates.

Except as provided in Sections 2.02 and 3.02 hereof, all Trust Certificates prepaid under this Article Three shall be canceled by the Trustee and no Trust Certificates shall be issued hereunder in place thereof.

Upon written request, the Trustee shall deliver to the Guarantor canceled Trust Certificates held by the Trustee or, if so directed by

the Guarantor, may destroy such Trust Certificates and deliver to the Guarantor a certificate of destruction.

ARTICLE FOUR

SECTION 4.01. *Acquisition of Equipment by Trustee.* The Company shall cause to be sold, assigned and transferred to the Trustee, as trustee for the holders of the Trust Certificates, and as security for the payment thereof, the Equipment described in Annex A hereto. Such Equipment has been or shall be delivered to the Lessee, which is hereby designated by the Trustee as its agent to receive such delivery, and a Lessee's Certificate as to such delivery shall be conclusive evidence of such delivery.

In the event that it may be deemed necessary or desirable to procure for the use of the Company, and to include in the trust created hereby, other Equipment in lieu of any of the Equipment specifically described in Annex A hereto prior to the delivery of such Equipment to the Lessee, the Company may, in its discretion, cause such other Equipment to be sold, assigned and transferred to the Trustee, to be substituted under such trust. In the event of any such substitution, the Company, the Guarantor and the Trustee shall execute an agreement supplemental hereto specifying that this Agreement extends only to the Trust Equipment actually accepted and settled for hereunder.

SECTION 4.02. *Payment of Deposited Cash.* The Equipment shall be settled for in one group of units of Equipment (such group being hereinafter called the Group), consisting of such units of the Equipment delivered to and accepted by the Company as the Guarantor may specify in a written notice delivered to the Trustee not later than **June 28, 1973**. The term "Settlement Date" with respect to the **Group shall mean July 2, 1973**. The Trustee shall, subject to the provisions of Sections 4.03 and 4.04 hereof, pay on the Settlement Date, upon Request, to the Owner or Owners of the delivered Trust Equipment out of Deposited Cash an amount specified in such Request not

exceeding 60% of the aggregate Cost of Trust Equipment then delivered to the Trustee.

SECTION 4.03. *Payment of Deficiency.* The Company covenants that, contemporaneously with any payment by the Trustee pursuant to Section 4.02 hereof with respect to any Trust Equipment, but subject to the provisions of Section 4.05 hereof, it will pay to the Owner or Owners of the delivered Trust Equipment that portion of the Cost of the delivered Trust Equipment not paid out of Deposited Cash as provided for in Section 4.02 hereof. It is understood and agreed, however, that, unless the Company shall otherwise agree, the total Cost of the Trust Equipment shall not exceed \$

SECTION 4.04. *Supporting Papers.* The Trustee shall not pay out any Deposited Cash pursuant to Section 4.02 hereof with respect to any of the Trust Equipment unless and until it shall have received:

(a) one or more duly executed Certificates of Acceptance with respect to such Trust Equipment and a Lessee's Certificate stating that the Trust Equipment described and specified therein by number or numbers has been delivered and has been marked in accordance with the provisions of Section 5.06 hereof;

(b) an invoice or invoices from the Owner or Owners and a Lessee's Certificate which shall describe any special devices, racks or assemblies constituting a part of any unit of such Trust Equipment and shall state that such Trust Equipment is Equipment as herein defined (having been first put into service no earlier than the date of delivery to and acceptance by the Lessee, as agent for the Company) and that the Cost of such Trust Equipment is an amount therein specified, together with evidence of payment of the amount to be paid to the Owner or Owners pursuant to Section 4.03 hereof;

(c) a bill or bills of sale from the Owner or Owners transferring and assigning security title to such Trust Equipment to the Trustee, each warranting to the Trustee, the Company and the Lessee that at the time of delivery of such Trust Equipment to the Company, the Owner had legal title to the Trust Equipment

described therein and good and lawful right to sell such Trust Equipment and that title to such Trust Equipment was, at the time of such delivery, free from all claims, liens, security interests and other encumbrances of any nature except as created by a Manufacturing Agreement, if any, and this Agreement and except for the rights of the Lessee under the Lease; and a bill or bills of sale from the Company consenting to such bill or bills of sale from the Owner or Owners and confirming to the Trustee that security title to such Trust Equipment is vested in the Trustee and warranting to the Trustee that such security title is free from all claims, liens, security interests and other encumbrances of any nature except as created by this Agreement and except for the rights of the Lessee under the Lease;

(d) an Opinion of Counsel for the Lessee addressed to the Company and the Trustee and an Opinion of Counsel for the Company addressed to the Trustee to the effect that such bill or bills of sale are valid and effective, either alone or in connection with any other instrument referred to in and accompanying such opinion, to vest in the Trustee security title to such Trust Equipment free from all claims, liens, security interests and other encumbrances of any nature other than as provided in subparagraph (c) above; the opinions of counsel referred to in §§ 14 and 15 of the Lease; and the opinions of counsel for the Manufacturers referred to in clause (v) of subparagraph (a) of the first paragraph of Article 4 of the Manufacturing Agreements;

(e) in the case of any Trust Equipment not specifically described in Annex A hereto, an Opinion of Counsel for the Lessee addressed to the Company and the Trustee that a proper supplement hereto in respect of such Trust Equipment has been duly executed by the Trustee, the Company and the Lessee, that a proper supplement to the Lease in respect of such Trust Equipment has been duly executed by the Company and the Lessee and that each of such supplements has been duly filed and recorded in accordance with Section 7.03 hereof;

(f) the instruments referred to in subparagraph (c) of the first paragraph of Article 4 of the Manufacturing Agreements; and

(g) such other documents as the Trustee may reasonably request.

SECTION 4.05. *Conditions to Payment of Deficiency.* The obligation of the Company to pay to the Owner or Owners of the delivered Trust Equipment any amount required to be paid pursuant to Section 4.03 hereof with respect to the Group of the Trust Equipment is specifically subject to the following conditions:

(a) the Company shall have received copies of the documents specified in Section 4.04 hereof, together with evidence of payment of the amount to be paid to the Owner or Owners pursuant to Section 4.02 hereof; and

(b) the Company shall have received such other documents relating to the transactions contemplated hereby as the Company may reasonably request.

ARTICLE FIVE

LEASE OF TRUST EQUIPMENT TO THE COMPANY

SECTION 5.01. *Lease of Trust Equipment.* The Trustee does hereby let and lease all the Trust Equipment to the Company, for a term ending on **July 1, 1988.**

SECTION 5.02. *Substituted Equipment Subject Hereto.* In the event that the Company shall, as provided in Section 4.01 hereof, cause to be transferred to the Trustee other Equipment in substitution for any of the Equipment herein specifically described, such other Equipment shall be included as part of the Trust Equipment by supplement hereto to be executed by the Trustee, the Company and the Guarantor and shall be subject to all the terms and conditions hereof in all respects as though it had been part of the Trust Equipment herein specifically described.

SECTION 5.03. *Equipment Automatically Subjected.* As and when any Equipment shall from time to time be accepted by the Company under a Manufacturing Agreement as evidenced by a Lessee's Certificate referred to in Section 4.04(a) hereof, the same shall be deemed accepted hereunder immediately upon execution and delivery hereof and shall at that time, *ipso facto* and without further instrument or lease, transfer or acceptance except as expressly provided herein, pass under and become subject to all the terms and provisions hereof.

SECTION 5.04. *Rental Payments.* The Company hereby accepts the lease of all the Trust Equipment and covenants and agrees to accept delivery and possession hereunder of the Trust Equipment as hereinbefore provided; and the Company covenants and agrees to pay to the Trustee (or, in the case of taxes, to the proper taxing authority), in such coin or currency of the United States of America as at the time of payment shall be legal tender for the payment of public and private debts, amounts (hereinafter called "rent" or "rentals") which shall be sufficient to pay and discharge the following items, when and as the same shall become due and payable (whether or not any of such items shall become due and payable prior to the delivery and lease to the Company of any of the Trust Equipment):

(a) from time to time upon demand of the Trustee the necessary and reasonable expenses of the trust hereby created, including compensation and expenses provided for herein;

(b) from time to time upon demand of the Trustee any and all taxes, assessments and governmental charges upon or on account of the income or property of the trust, or upon or on account of this Agreement, which the Trustee as such may be required to pay;

(c) (i) the amounts of the dividends payable on the Trust Certificates, when and as the same shall become payable, and (ii) interest at the Penalty Rate from the due date, upon the amount of any instalments of rental payable under this subparagraph (c) and the following subparagraphs (d) and (e) which shall not be paid when due, to the extent legally enforceable;

(d) as a sinking fund for the Trust Certificates, on or before **January 1 and July 1 in each year, commencing January 1, 1979,** and continuing to and including **January 1, 1988,** an amount, in addition to the dividends referred to in subparagraph (c) above, in cash calculated on such a basis that the aggregate of dividends and sinking fund rental payments payable on each such date (and the aggregate of dividends and principal payable on **July 1, 1988**) shall be substantially equal (subject to proportionate reduction in the event of prepayment of Trust Certificates pursuant to Section 3.01(b) hereof) and shall completely amortize the principal of and dividends on the Trust Certificates; and

(e) the principal of the Trust Certificates, when and as the same shall become payable, whether upon the stated date of maturity thereof or otherwise under the provisions thereof or of this Agreement.

Nothing contained herein or in the Trust Certificates shall be deemed to impose on the Trustee or on the Company (except as provided in paragraph (b) above) any obligation to pay to the holder of any Trust Certificate any tax, assessment or governmental charge required by any present or future law of the United States of America or of any state, county, municipality or other taxing authority thereof to be paid by or in behalf of, or withheld from the amount payable to, the holder of any Trust Certificate. The Company shall not be required to pay any tax, assessment or governmental charge pursuant to paragraph (b) above so long as it shall in good faith and by appropriate legal proceedings contest the validity thereof; *provided, however,* that in the judgment of the Trustee and as set forth in an Opinion of Counsel which shall have been furnished to the Trustee by the Company or the Lessee the rights or interests of the Trustee and of the holders of the Trust Certificates will not be materially endangered thereby.

Notwithstanding any other provisions of this Agreement, including, without limitation, Articles Six and Seven hereof, it is understood and agreed by the Trustee on behalf of itself and the holders of the Trust Certificates that liability of the Company for all payments to be made by it under and pursuant to this Agreement (other than the payments

called for by Section 4.03 hereof) and for all performance obligations, shall not exceed an amount equal to the income and proceeds from the Trust Equipment. As used herein the term "income and proceeds from the Trust Equipment" shall mean (i) if an Event of Default shall have occurred and while it shall be continuing so much of the following amounts as are indefeasibly received by the Company at any time after any Event of Default and during the continuance thereof: (a) all amounts of rental and amounts in respect of Casualty Occurrences paid for or with respect to the Trust Equipment pursuant to the Lease and (b) any and all payments or proceeds received by the Company pursuant to clause (i) of subparagraph (b) of the first paragraph of § 9 of the Lease or for or with respect to the Trust Equipment as the result of the sale, lease or other disposition thereof, after deducting all costs and expenses of such sale, lease or other disposition and (ii) at any other time only that portion of the amounts referred to in the foregoing clauses (a) and (b) or otherwise payable to the Company pursuant to the Lease as are indefeasibly received by the Company and as shall equal the rental payments specified in the first paragraph of this Section 5.04 due and payable by the Company on the date such amounts received by the Company were required to be paid to it pursuant to the Lease or as shall equal any other payments (including payments in respect of Casualty Occurrences) then due and payable under this Agreement; it being understood that "income and proceeds from the Trust Equipment" shall in no event include amounts referred to in the foregoing clauses (a) and (b) which were received by the Company prior to the existence of such an Event of Default which exceeded the amounts required to make the rental payments specified in the first paragraph of this Section 5.04 due and payable by the Company on the date on which amounts with respect thereto received by the Company were required to be paid to it pursuant to the Lease or which exceeded any other payments due and payable under this Agreement at the time such amounts were payable under the Lease. The Trustee agrees, however, that if it obtains a judgment against the Company for an amount in excess of the amounts payable by the Company pursuant to the limitations set forth in this paragraph, it will,

accordingly, limit its execution of such judgment to such amount and it will not bring suit against the Company for any sums in addition to the amounts payable by the Company pursuant to said limitations (or obtain a judgment, order or decree against the Company for any relief other than the payment of money) except as may be required by applicable rules of procedure to enforce, by appropriate proceedings against the Company at law or in equity or otherwise, the obligation to make the payments to be made pursuant to this Section 5.04 or any other payments or performance obligations due to the Trustee under this Agreement against the Trust Equipment, the Guarantor and the Lease (rather than against the Company personally). Nothing contained herein limiting the liability of the Company shall derogate from the right of the Trustee to proceed against the Equipment or the Guarantor as provided for herein for the full unpaid principal amount of the Trust Certificates and dividends thereon.

SECTION 5.05. *Termination of Lease.* It is understood that the vesting in the Trustee of security title to the Trust Equipment pursuant to this Agreement is solely to secure the performance by the Company of its obligations under this Agreement and the payment of all sums payable pursuant to this Agreement (without regard to the provisions of the last paragraph of Section 5.04 hereof) and that beneficial ownership in and to the Trust Equipment shall be and remain in the Company subject to compliance by the Company with all its obligations under this Agreement and the payment of all such sums. Accordingly, after all payments due or to become due hereunder shall have been completed and fully made to or for the account of the Trustee and the Company shall have performed all its other obligations hereunder (without regard to the provisions of the last paragraph of Section 5.04 hereof), (a) such payments shall be deemed to represent the discharge in full of the Trustee's security interest in the Trust Equipment at such time, (b) any moneys remaining in the hands of the Trustee after providing for all outstanding Trust Certificates and after paying the expenses of the Trustee, including its reasonable compensation, shall be paid to the Company, (c) full title to all the Trust Equipment shall vest in the Company and (d) the Trustee shall execute for record in public offices,

at the expense of the Lessee, such instrument or instruments in writing as reasonably shall be requested by the Company in order to make clear upon public records the Company's full title to all the Trust Equipment under the laws of any jurisdiction; *provided, however*, that until that time security title to all the Trust Equipment shall be and remain in the Trustee, notwithstanding the possession and use thereof by the Company pursuant to the terms of this Agreement.

SECTION 5.06. *Marking of Trust Equipment.* The Company agrees that it will cause each unit of the Trust Equipment to be kept plainly, distinctly, permanently and conspicuously marked on each side of such unit, in letters not less than one inch in height, the following words:

"OWNED BY A BANK OR TRUST COMPANY UNDER A SECURITY AGREEMENT FILED UNDER THE INTERSTATE COMMERCE ACT, SECTION 20c"

or other appropriate words designated by the Trustee, with appropriate changes thereof and additions thereto as from time to time may be required by law or reasonably requested in order to protect the security title of the Trustee to such unit and the rights of the Company and the Trustee under this Agreement.

The Company will not place or permit any unit of the Trust Equipment to be placed in operation or exercise any control or dominion over the same until such words have been so marked on both sides thereof and will replace or cause to be replaced promptly any such words which may be removed, defaced or destroyed. The Company shall not change, or permit to be changed, the identifying number of any unit of the Trust Equipment except in accordance with a statement of new identifying numbers to be substituted therefor, which statement previously shall have been filed by the Company with the Trustee and filed, recorded or deposited in all public offices where this Agreement shall have been filed, recorded or deposited.

Except as above provided, the Company will not allow the name of any person to be placed on the units of the Trust Equipment as a designation that might be interpreted as a claim of full legal ownership;

provided, however, that the Company may cause the Trust Equipment to be lettered with the names, initials or other insignia customarily used by the Lessee on railroad equipment used by it of the same or a similar type for convenience of identification of its right to use the Trust Equipment under the Lease, and the Trust Equipment may be lettered in an appropriate manner for convenience of identification of the interest of the Company therein.

SECTION 5.07. *Maintenance of Trust Equipment; Casualty Occurrences.* The Company agrees that it will maintain or cause to be maintained and keep or cause to be kept each unit of the Trust Equipment in good order and proper repair at its own cost and expense, unless and until worn out, lost, stolen, destroyed or irreparably damaged, from any cause whatsoever, or taken or requisitioned by condemnation or otherwise (any of such occurrences being hereinafter called a Casualty Occurrence).

Whenever any unit of the Trust Equipment shall suffer a Casualty Occurrence, the Company shall, promptly after it is informed of such Casualty Occurrence under the Lease, cause the Lessee to deliver to the Trustee a Lessee's Certificate describing such Trust Equipment and stating the amount to be deposited with the Trustee as hereinafter in this Section 5.07 provided and (except as provided in the fourth paragraph of this Section 5.07) the determination of the Fair Value of such unit. On the rental payment date next succeeding the delivery of such Officer's Certificate or Lessee's Certificate (or, in the event such rental payment date will occur within 60 days after such delivery, on the following rental payment date), the Company shall deposit with the Trustee (subject to the provisions of the last paragraph of Section 5.04 hereof) an amount in cash equal to the Fair Value of such unit as of such date and, upon such payment, the security title of the Trustee to such unit shall terminate and full title to such unit shall vest in the Company and, upon Request, the Trustee shall execute for recording in public offices, at the expense of the Company, such instrument or instruments in writing as reasonably shall be specified by the Company and accompanying such Request in order to make clear upon public

records the Company's full title to such unit under the laws of any jurisdiction. The rights and remedies of the Trustee to enforce or to recover any of the rental payments shall not be affected by reason of any Casualty Occurrence.

Any moneys deposited with the Trustee pursuant to the next preceding paragraph shall be applied by the Trustee, on the rental payment date in respect of which such moneys are required to be deposited, to the prepayment of Trust Certificates on said date as provided in Article Three hereof.

Anything contained herein to the contrary notwithstanding, in the event that any unit of the Trust Equipment shall suffer a Casualty Occurrence, and the Company shall have been informed thereof under the Lease, prior to the settlement for such unit pursuant to Section 4.02 hereof, the Lessee's Certificate describing such unit shall state the Cost of such unit (rather than the determination of the Fair Value thereof) as shown on the invoice therefor delivered or to be delivered to the Trustee pursuant to Section 4.04(b) hereof, and the Company will, in lieu of making the payments otherwise required pursuant to the second paragraph of this Section 5.07 and Section 4.03 hereof, pay or cause the Lessee to pay directly to the Owner, on the Settlement Date, an amount in cash equal to such Cost, and accrued rental under the Lease thereon, which payment shall, without further action by the Company, have the same effect and entitle the Company to the same rights and privileges hereunder as if the Company had directed the Trustee to exclude such unit from the trust created hereby pursuant to the second paragraph of Section 4.01 hereof.

The Company covenants and agrees to cause the Lessee to furnish to the Trustee, on or before April 1 in each year, commencing with the year 1974, a Lessee's Certificate, as of the preceding December 31, (i) showing the amount, description and numbers of all units of Trust Equipment then subject hereto and the amount, description and numbers of all units of Trust Equipment that may have suffered a Casualty Occurrence during the preceding 12 months (or since the date of this Agreement in the case of the first such Officer's Certificate or Lessee's Certificate), and such other information regarding the

condition and state of repair of the units of Trust Equipment as the Trustee may reasonably request and (ii) stating that in the case of all units of Trust Equipment repainted or repaired during the period covered thereby the marks required by Section 5.06 hereof have been preserved or replaced. The Trustee, by its agents, shall have the right once in each calendar year, but shall be under no duty, to inspect, at the expense of the Company, the Trust Equipment, and the Company covenants in that event to furnish to the Trustee all reasonable facilities for the making of such inspection.

The Guarantor will at all times while this Agreement is in effect, at its own expense, cause to be carried and maintained insurance in respect of the Trust Equipment at the time subject hereto, and public liability insurance, in amounts and against risks customarily insured against by railroad companies on similar equipment, and in any event in amounts and against risks comparable to those insured against by the Guarantor on similar equipment owned by it. Any net insurance proceeds or condemnation payments received by the Trustee in respect of units suffering a Casualty Occurrence shall be deducted from the amounts payable by the Company to the Trustee in respect of Casualty Occurrences pursuant to this Section 5.07. If the Trustee shall receive any such net insurance proceeds or condemnation payments after the Company shall have made payments pursuant to this Section 5.07 without deduction for such net insurance proceeds or condemnation payments, the Trustee shall pay such proceeds or payments to the Company.

SECTION 5.08. *Possession of Trust Equipment.* So long as no Event of Default has occurred and is continuing hereunder, the Company shall be entitled to the possession and use of the Trust Equipment and also to enter into the Lease, which the Company and the Lessee hereby agree shall be subject and subordinate to this Agreement, and to permit the use of the Trust Equipment as provided in the Lease.

Except as permitted by the Trust Agreement, the Company will not sell, assign or transfer its rights under this Agreement or, except as provided in this Section 5.08, transfer the right to possession of any unit of the Trust Equipment. The Company will not amend or consent

to any change in the Trust Agreement without the prior written consent of the Trustee.

SECTION 5.09. *Indemnity; Compliance with Laws and Rules.*

The Company covenants and agrees to indemnify and save harmless the Trustee against any charge or claim made against the Trustee and against any expense, loss or liability (including but not limited to counsel fees and expenses, patent liabilities, penalties and interest) which the Trustee may incur in any manner by reason of the issuance of the Trust Certificates or by reason of entering into or performing this Agreement, any of the instruments or agreements referred to herein or contemplated hereby or the ownership of, or which may arise in any manner out of or as the result of the ordering, acquisition, purchase, use, operation, condition, delivery, rejection, storage or return of, any unit of the Trust Equipment while subject to this Agreement or until no longer in the possession of or stored by the Lessee, whichever is later, and to indemnify and save harmless the Trustee against any charge, claim, expense, loss or liability on account of any accident in connection with the operation, use, condition, possession or storage of any unit of the Trust Equipment resulting in damage to property, or injury to or death of any person. The indemnities contained in this paragraph shall survive payment of all other obligations under this Agreement and the termination of this Agreement. The Company agrees to comply in all respects with all laws of the jurisdictions in which operations involving any unit subject to this Agreement may extend, with the Interchange Rules of the Association of American Railroads, if applicable, and with all lawful rules of the Interstate Commerce Commission, if applicable, the Department of Transportation and any other legislative, executive, administrative or judicial body or officer exercising any power or jurisdiction over any such unit, to the extent such laws and rules affect the operations or use of such unit; and the Company shall and does hereby indemnify the Trustee and agrees to hold the Trustee harmless from and against any and all liability that may arise from any infringement or violation of any such laws or rules by the Company or any other person. In the event that such laws or rules require the alteration of any such Unit or in case any

equipment or appliance on any such unit shall be required to be changed or replaced; or in case any additional or other equipment or appliance is required to be installed on such unit in order to comply with such laws and rules, the Company agrees to make such alterations, changes, additions and replacements at its own expense and to use, maintain and operate such unit in full compliance with such laws and rules so long as such unit is subject to this Agreement; *provided, however*, that the Company may, in good faith, contest the validity or application of any such law or rule in any reasonable manner which does not, in the opinion of the Trustee, adversely affect the property or rights of the Trustee or the holders of the Trust Certificates hereunder.

ARTICLE SIX

EVENTS OF DEFAULT AND REMEDIES

SECTION 6.01. *Events of Default.* The Company covenants and agrees that in case (irrespective of any provision of this Agreement limiting the liability of the Company):

(a) the Company shall default in the payment of any part of the rental payable under Sections 5.04(c), (d) and (e) hereof for more than ten days after the same shall have become due and payable, or

(b) the Company shall, for more than 30 days after the Trustee shall have demanded in writing performance thereof, fail or refuse to comply with any other of the terms and covenants hereof on its part to be kept and performed, or to make provision satisfactory to the Trustee for such compliance, or

(c) the Company, except as herein authorized or contemplated, shall make or suffer any unauthorized transfer or sublease (including, for the purpose of this clause, contracts for the use thereof) of any of the Trust Equipment, or shall part with the possession of any of the Trust Equipment, and shall fail or refuse either to cause such transfer or sublease to be canceled by agree-

ment of all parties having any interest therein or recover possession of such Trust Equipment, as the case may be, within 30 days after the Trustee shall have demanded in writing such cancellation or recovery of possession, or within said 30 days to deposit with the Trustee a sum in cash equal to the Fair Value of such Trust Equipment (any sum so deposited to be returned to the Company upon the cancellation of such transfer or sublease or the recovery of possession by the Company of such Trust Equipment), or

(d) any proceeding shall be commenced by or against the Company or the Guarantor for any relief under any bankruptcy or insolvency laws, or laws relating to the relief of debtors, readjustments of indebtedness, reorganizations, arrangements, compositions or extensions (other than a law which does not permit any readjustment of the obligations hereunder of the Company or the Guarantor, as the case may be) and, unless such proceedings shall have been dismissed, nullified, stayed or otherwise rendered ineffective (but then only so long as such stay shall continue in force or such ineffectiveness shall continue), all the obligations of the Company or the Guarantor, as the case may be, under this Agreement (and, in the case of the Guarantor, all obligations of the Guarantor under its guaranty endorsed on the Trust Certificates) shall not have been duly assumed in writing, pursuant to a court order or decree, by a trustee or trustees or receiver or receivers appointed (whether or not subject to ratification) for the Company or the Guarantor or for the property of the Company or the Guarantor in connection with any such proceedings in such manner that such obligations have the same status as obligations incurred by such a trustee or trustees or receiver or receivers, within 30 days after such appointment, if any, or 60 days after such proceedings shall have been commenced, whichever shall be earlier, or

(e) the Lessee shall default in the observance or performance of any of the covenants and agreements on its part contained in the Lease for the benefit of the Trustee or the holders

of the Trust Certificates and such default shall continue for 30 days after the Trustee shall have demanded performance thereof by written notice to the Company and the Lessee *unless* during such 30-day period the Company or the Lessee shall have cured or caused to be cured such default,

then, in any such case (herein sometimes called an Event of Default), and so long as such Event of Default shall be continuing, the Trustee in its discretion may, and upon the written request of the holders of not less than 25% in principal amount of the then outstanding Trust Certificates shall, by notice in writing delivered to the Company and the Guarantor, declare to be due and payable forthwith the entire amount of the rentals (including any unpaid rental then due, but not including rentals required for the payment of dividends accruing after the date of such declaration) payable by the Company as set forth in Section 5.04 hereof and not theretofore paid. Thereupon the entire amount of such rentals shall forthwith become and shall be due and payable immediately without further demand, together with interest at the Penalty Rate, to the extent legally enforceable, on any portion thereof overdue.

In addition, in case one or more Events of Default shall happen and be continuing, the Trustee in its discretion may, and upon the written request of the holders of not less than 25% in principal amount of the then outstanding Trust Certificates shall, by notice in writing delivered to the Company and the Guarantor, declare the principal of all the Trust Certificates then outstanding to be due and payable, and thereupon the same shall become and be immediately due and payable.

In case the Company shall fail to pay any instalment of rental payable pursuant to Section 5.04(c), (d) or (e) hereof when and as the same shall have become due and payable hereunder, and such default shall have continued for a period of ten days, the Trustee, in its own name and as trustee of an express trust, shall be entitled and empowered to institute any action or proceedings at law or in equity for the collection of the rentals so due and unpaid, and may prosecute any such action or proceedings to judgment or final decree, and may enforce any such judgment or final decree against the Company and collect in

the manner provided by law out of the property of the Company wherever situated the moneys adjudged or decreed to be payable (subject to the provisions of the last paragraph of Section 5.04 hereof).

In case there shall be pending proceedings for the bankruptcy or for the reorganization of the Company or the Guarantor under the Bankruptcy Act or any other applicable law, or in case a receiver or trustee shall have been appointed for the property of the Company or the Guarantor, or in case of any other judicial proceedings relative to the Company or the Guarantor, or to the creditors or property of the Company or the Guarantor, the Trustee, irrespective of whether the rental payments hereunder or the principal amount of the Trust Certificates shall then be due and payable as herein or therein expressed whether by declaration or otherwise and irrespective of whether the Trustee shall have made any demand or declaration pursuant to the provisions of this Section 6.01, shall be entitled and empowered, by intervention in such proceedings or otherwise, to file and prove a claim or claims for the entire amount of the rentals and to file such other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for reasonable compensation to the Trustee, its agents, attorneys and counsel, and for reimbursement of all expenses and liabilities incurred, and all advances made, by the Trustee except as a result of its gross negligence or wilful misconduct) and of the holders of the Trust Certificates allowed in such proceedings and to collect and receive any moneys or other property payable or deliverable on any such claims, and to distribute all amounts received with respect to the claims of the holders of the Trust Certificates and of the Trustee on their behalf; and any receiver, assignee or trustee in bankruptcy or reorganization is hereby authorized by each of the holders of the Trust Certificates to make payments to the Trustee, and, in the event that the Trustee shall consent to the making of payments directly to the holders of the Trust Certificates, to pay to the Trustee such amount as shall be sufficient to cover reasonable compensation to the Trustee, its agents, attorneys and counsel, and all other expenses and liabilities incurred, and all advances made, by the Trustee except as a result of its gross negligence or wilful misconduct.

All rights of action and to assert claims under this Agreement, or under any of the Trust Certificates, may be enforced by the Trustee without the possession of any of the Trust Certificates or the production thereof on any trial or other proceedings relative thereto, and any such action or proceedings instituted by the Trustee shall be brought in its own name and as trustee of an express trust, and any recovery of judgment shall be for the ratable benefit of the holders of the Trust Certificates. In any proceedings brought by the Trustee (and also any proceedings involving the interpretation of any provision of this Agreement to which the Trustee shall be a party) the Trustee shall be held to represent all the holders of the Trust Certificates, and it shall not be necessary to make any holders of the Trust Certificates parties to such proceedings.

SECTION 6.02. *Remedies.* In case an Event of Default shall happen and be continuing, the Trustee may by its agents enter upon the premises of the Company or the Lessee or other premises where any of the Trust Equipment may be and take possession of all or any part of the Trust Equipment and withdraw the same from said premises, retaining all payments which up to that time may have been made on account of rental for the Trust Equipment and otherwise, and shall be entitled to collect, receive, retain and apply in accordance with Section 6.03 hereof all unpaid per diem, mileage or other charges of any kind earned by the Trust Equipment or any part thereof, and may lease the Trust Equipment or any part thereof; or the Trustee may with or without retaking possession (but only after declaring due and payable the entire amount of rentals payable by the Company as provided in Section 6.01 hereof) sell the Trust Equipment or any part thereof, free from any and all claims of the Company and the Lessee at law or in equity, in one lot and as an entirety or in separate lots, in so far as may be necessary to perform and fulfill the trust hereunder, at public or private sale, for cash or upon credit, in its discretion, and may proceed otherwise to enforce its rights and the rights of the holders of the outstanding Trust Certificates in the manner herein provided. Upon any such public sale, the Trustee itself or any holder of Trust Certificates may bid for the

property offered for sale or any part thereof. Any such sale may be held or conducted at such place and at such time as the Trustee may specify, or as may be required by law, and without gathering at the place of sale the Trust Equipment to be sold, and in general in such manner as the Trustee may determine, but so that any sale is held in a commercially reasonable manner and the Company and the Lessee are duly notified of and have a reasonable opportunity to bid at any such sale. Upon such taking possession or withdrawal or lease or sale of the Trust Equipment, the Company and the Lessee shall cease to have any rights or remedies in respect of the Trust Equipment hereunder (except as provided in Section 6.03 hereof), but all such rights and remedies shall be deemed thenceforth to have been waived and surrendered by the Company and the Lessee, and no payments theretofore made by the Company or the Lessee for the rent or use of the Trust Equipment or any of it shall, in case of the happening of any Event of Default and such taking possession, withdrawal, lease or sale by the Trustee, give to the Company or the Lessee any legal or equitable interest or title in or to the Trust Equipment or any of it or any cause or right of action at law or in equity in respect of the Trust Equipment against the Trustee or the holders of the outstanding Trust Certificates. No such taking possession, withdrawal, lease or sale of the Trust Equipment by the Trustee shall be a bar to the recovery by the Trustee from the Company or the Guarantor of rentals then or thereafter due and payable, and the Company (subject to the provisions of the last paragraph of Section 5.04 hereof) and the Guarantor shall be and remain liable for the same until such sums shall have been realized as, with the proceeds of the lease or sale of the Trust Equipment, shall be sufficient for the discharge and payment in full of all the items mentioned in Section 5.04 hereof (other than dividends or interest not then accrued), whether or not they shall have then matured.

SECTION 6.03. *Application of Proceeds.* If an Event of Default shall happen and be continuing and the Trustee shall exercise any of the powers conferred upon it by Sections 6.01 and 6.02 hereof, all payments made by the Company to the Trustee hereunder after such Event of Default, and the proceeds of any judgment collected hereunder from

the Company by the Trustee, and the proceeds of every sale or lease by the Trustee of any of the Trust Equipment, together with any other sums which may then be held by the Trustee under any of the provisions hereof (other than sums held in trust for the payment of specific Trust Certificates pursuant to Section 3.03 hereof), shall be applied by the Trustee to the payment in the following order of priority: (a) of all proper charges, expenses or advances made or incurred by the Trustee in accordance with the provisions of this Agreement, and (b) of the dividends then due, with interest on overdue dividends at the Penalty Rate to the extent legally enforceable, and of the principal of all the outstanding Trust Certificates, with interest thereon at the Penalty Rate to the extent legally enforceable from the last preceding dividend date, whether such Trust Certificates shall have then matured by their terms or not, all such payments to be in full if such proceeds shall be sufficient, and if not sufficient, then *pro rata* without preference between principal, dividends and interest.

After all such payments shall have been made in full, the title to any of the Trust Equipment remaining unsold shall be conveyed by the Trustee to the Company free from any further liabilities or obligations to the Trustee hereunder. If after applying all such sums of money realized by the Trustee as aforesaid there shall remain any amount due to the Trustee under the provisions hereof, the Company (subject to the provisions of the last paragraph of Section 5.04 hereof) agrees to pay the amount of such deficit to the Trustee. If after applying as aforesaid the sums of money realized by the Trustee there shall remain a surplus in the possession of the Trustee, such surplus shall be paid to the Company.

SECTION 6.04. *Waivers of Default.* If at any time after the principal of all the Trust Certificates shall have been declared and become due and payable or if at any time after the entire amount of rentals shall have been declared and become due and payable, all as in Section 6.01 hereof provided, but before **July 1, 1988**, all arrears of rent (with interest at the Penalty Rate upon any overdue instalments to the extent legally enforceable), the expenses and reason-

able compensation of the Trustee, together with all expenses of the trust occasioned by the Company's default, and all other sums which shall have become due and payable by the Company hereunder (other than the principal of Trust Certificates and any other rental installments which shall not at the time have matured according to their terms), shall be paid by the Company (irrespective of the provisions of the last paragraph of Section 5.04 hereof) before any sale or lease by the Trustee of any of the Trust Equipment, and every other default in the observance or performance of any covenant or condition hereof shall be made good or secured to the satisfaction of the Trustee, or provision deemed by the Trustee to be adequate shall be made therefor, then, and in every such case, the Trustee, if so requested or consented to by the holders of a majority in principal amount of the Trust Certificates then outstanding, shall by written notice to the Company waive the default by reason of which there shall have been such declaration or declarations and the consequences of such default, but no such waiver shall extend to or affect any subsequent default or impair any right consequent thereon.

SECTION 6.05. *Obligations of Company Not Affected by Remedies.* No retaking of possession of the Trust Equipment by the Trustee, or any withdrawal, lease or sale thereof, nor any action or failure or omission to act against the Company or in respect of the Trust Equipment, on the part of the Trustee or on the part of the holder of any Trust Certificate, nor any delay or indulgence granted to the Company by the Trustee or by any such holder, shall affect the obligations of the Company hereunder or the obligations of the Guarantor under the guaranty endorsed on the Trust Certificates or under the Lease. The Company hereby waives presentation and demand in respect of any of the Trust Certificates and waives notice of presentation, of demand and of any default in the payment of the principal of and dividends on the Trust Certificates.

SECTION 6.06. *Company and Lessee to Deliver Trust Equipment to Trustee.* In case the Trustee shall demand possession of the Trust Equipment pursuant to the provisions hereof, the Company and

the Lessee shall at their own expense promptly cause the Trust Equipment to be transported to such point or points as shall reasonably be designated by the Trustee and shall there deliver or cause to be delivered the same to the Trustee, or the Trustee may at its option keep the Trust Equipment, without expense to the Trustee, on any lines of railroad or premises approved by the Trustee until the Trustee shall have leased, sold or otherwise disposed of the same. It is hereby expressly covenanted and agreed that the performance of this covenant is of the essence of this Agreement and that upon application to any court having jurisdiction in the premises, the Trustee shall be entitled to a decree against the Company and the Lessee requiring the specific performance thereof.

SECTION 6.07. *Trustee To Give Notice of Default.* The Trustee shall give to the holders of the Trust Certificates notice of each Event of Default hereunder known to the Trustee, within 30 days after it learns of the same, unless remedied or cured before the giving of such notice.

SECTION 6.08. *Control by Holders of Trust Certificates.* The holders of a majority in aggregate unpaid principal amount of the then outstanding Trust Certificates, by an instrument or instruments in writing executed and delivered to the Trustee, shall have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred on the Trustee; *provided, however,* that the Trustee shall have the right to decline to follow any such direction if the Trustee shall be advised by counsel that the action so directed would be in conflict with any other provision of this Agreement or any rule of law.

SECTION 6.09. *Unconditional Right of Holders of Trust Certificates to Sue for Principal and Dividends.* Notwithstanding any other provision in this Agreement, the right of any holder of any Trust Certificate to receive payment of the principal of, and dividends on, such Trust Certificate, on or after the respective due dates expressed in such Trust Certificate, or to institute suit for the enforcement of any such payment on or after such respective dates, shall not be im-

paired or affected without the consent of such holder, except that no such suit shall be instituted if and to the extent that the institution or prosecution thereof or the entry of judgment therein would, under applicable law, result in the surrender, impairment, waiver or loss of the security title reserved under this Agreement upon any property subject hereto.

SECTION 6.10. *Remedies Cumulative; Subject to Mandatory Requirements of Law.* The remedies in this Agreement provided in favor of the Trustee and the holders of the Trust Certificates, or any of them, shall not be deemed exclusive; but shall be cumulative, and shall be in addition to all other remedies in their favor existing at law or in equity and such remedies so provided in this Agreement shall be subject in all respects to any mandatory requirements of law at the time applicable thereto, to the extent such requirements may not be waived on the part of the Company.

ARTICLE SEVEN

ADDITIONAL COVENANTS AND AGREEMENTS BY THE COMPANY AND THE GUARANTOR

SECTION 7.01. *Guaranty of Guarantor.* The Guarantor unconditionally covenants, agrees and guarantees that the holder of each of the Trust Certificates shall receive the principal amount thereof, in such coin or currency of the United States of America as at the time of payment shall be legal tender for the payment of public and private debts, when and as the same shall become due and payable, in accordance with the provisions thereof or of this Agreement (and, if not so paid, with interest thereon at the Penalty Rate to the extent legally enforceable), and shall receive dividends thereon in like money at the rate specified therein from the date thereof, to the date of maturity of such Trust Certificate, at the times and places and otherwise as expressed in the Trust Certificates and this Agreement (and, if not so paid, with interest thereon at the Penalty Rate to the extent legally enforceable); and the Guarantor covenants and agrees to endorse upon each of the Trust Certificates, at or before the issuance and delivery thereof by

the Trustee, its guaranty of the prompt payment of the principal thereof and of the dividends thereon, in substantially the form hereinbefore set forth. Said guaranty so endorsed shall be signed in the name and on behalf of the Guarantor by the manual or facsimile signature of its President or any Vice President. In case the President or Vice President of the Guarantor whose signature shall appear on said guaranty shall cease to be such officer before the Trust Certificates shall have been issued and delivered by the Trustee, or shall not have been acting in such capacity on the date of the Trust Certificates, such guaranty shall nevertheless be as effective and binding upon the Guarantor as though the person who signed said guaranty had at all times been such officer.

The Guarantor further unconditionally guarantees to the Trustee and the holders of the Trust Certificates the due and punctual performance of all obligations of the Company under this Agreement and unconditionally guarantees to the Trustee and the holders of the Trust Certificates that all amounts payable by the Company under this Agreement will be promptly paid when due in accordance with the provisions of this Agreement and in case of default by the Company in any such obligations or payments the Guarantor agrees punctually to perform or pay the same, irrespective of any enforcement against the Company of any of the rights of the Trustee and the holders of the Trust Certificates under this Agreement. The Guarantor hereby agrees that its obligations hereunder and under the aforesaid guaranty on the Trust Certificates shall be unconditional (and shall not be subject to any defense, setoff, counterclaim or recoupment whatsoever), irrespective of the genuineness, validity, regularity or enforceability of this Agreement, the provisions of the last paragraph of Section 5.04 hereof, or any other circumstance which might otherwise constitute a legal or equitable discharge of a surety or guarantor or any other circumstance which might limit the recourse of the Trustee to the Company. The Guarantor hereby waives diligence, presentment, demand of payment, protest, any notice of any default hereunder or under the Trust Certificates and all notices with respect to this Agreement and all demands whatsoever hereunder. No waiver by the Trustee or the holders of any of the Trust Certificates of any of their rights

hereunder or under the Trust Certificates and no action by the Trustee or the holders of any of the Trust Certificates to enforce any of their rights or failure to take, or delay in taking, any such action shall affect the obligations of the Guarantor hereunder or under said guaranty of the Trust Certificates.

In the event that the Guarantor shall make any payments to the Trustee on account of its guaranty hereunder, the Guarantor hereby covenants and agrees that it shall not acquire any rights, by subrogation or otherwise, against the Company or with respect to any of the units of the Trust Equipment by reason of such payments, all such rights being hereby irrevocably released, discharged and waived by the Guarantor; *provided, however*, that after the payment by the Guarantor to the Trustee of all amounts payable under the first paragraph of this Section 7.01, the Guarantor shall, by subrogation, be entitled to the rights of the Trustee against the Company by reason of such payment, to the extent, but only to the extent, that the Company has received "income and proceeds from the Trust Equipment" (as defined in Section 5.04 hereof) and has not applied amounts equal to such income and proceeds to the payment, in accordance with this Agreement, and subject to the limitations contained in said Section 5.04, of amounts payable by the Company to the Trustee hereunder.

If the Guarantor makes any payment hereunder or performs any obligation hereunder within the time periods set forth in Section 6.01 hereof required to be made or performed by the Company, no Event of Default shall be deemed to have occurred by reason of the Company's not having made such payment or performed such obligation.

The obligations of the Guarantor under the guaranty set forth in this Section 7.01 are superior in right of payment to all the Guarantor's Thirty Year Subordinated Notes sold or to be sold pursuant to a Note Purchase Agreement dated as of January 1, 1967, between the Guarantor and certain of its stockholders.

SECTION 7.02. *Discharge of Liens.* The Company covenants and agrees that it will pay and discharge, or cause to be paid and discharged or make adequate provision for the satisfaction or discharge of, any debt, tax, charge, assessment, obligation or claim which if unpaid might

become a lien or charge upon or against any of the Trust Equipment, except upon the interest of the Company hereunder or of the leasehold interest of the Lessee therein; *provided, however*, that this provision shall not require the payment of any such debt, tax, charge, assessment, obligation or claim so long as the validity thereof shall be contested in good faith and by appropriate legal proceedings, provided that such contest will not materially endanger the rights or interests of the Trustee or of the holders of the Trust Certificates and the Company or the Lessee shall have furnished the Trustee with an Opinion of Counsel to such effect. If the Company does not forthwith pay and discharge, or cause to be paid and discharged, or make adequate provision for the satisfaction or discharge of, any such debt, tax, charge, assessment, obligation or claim as required by this Section 7.02, the Trustee may, but shall not be obligated to, pay and discharge the same and any amounts so paid shall be secured by and under this Agreement until reimbursed by the Company.

SECTION 7.03. *Recording.* The Guarantor will, promptly after the execution and delivery of this Agreement, the Lease and each supplement hereto and thereto, respectively, cause this Agreement, the Lease and such supplement to be duly filed and recorded with the Interstate Commerce Commission in accordance with Section 20c of the Interstate Commerce Act. The Company and the Guarantor will from time to time do and perform any other act and will execute, acknowledge, deliver and the Guarantor will file, register and record any and all further instruments required by law or reasonably requested by the Trustee for the purposes of proper protection of the security title of the Trustee and the rights of the holders of the Trust Certificates and of fully carrying out and effectuating this Agreement and the intent hereof; *provided, however*, that the Company and the Guarantor shall not be required to take any such action in respect of any jurisdiction outside the United States if (a) the Guarantor deems such action to be unduly burdensome, (b) after giving effect to the failure to take such action, the Company and the Guarantor have taken all action required by law to protect the security title of the Trustee to units of Trust Equipment

having a Fair Value of not less than 85% of the aggregate Fair Value of all Trust Equipment and (c) the Company and the Guarantor have at all times complied fully with the provisions of Section 7.02 hereof in respect of any such unit (without giving effect to the proviso contained in such Section 7.02).

Promptly after the execution and delivery of this Agreement and each supplement hereto, the Guarantor will furnish the Trustee with an Opinion of Counsel stating that, in the opinion of such counsel, this Agreement or such supplement, as the case may be, has been properly recorded and filed so as effectively to protect the security title of the Trustee to the Trust Equipment and its rights and the rights of the holders of the Trust Certificates thereunder and hereunder and reciting the details of such action.

SECTION 7.04. *Merger or Consolidation.* The Guarantor agrees not to merge or consolidate with any other corporation or transfer all or substantially all its property unless the survivor of such merger or consolidation or such transferee shall be a solvent corporation organized under the laws of the United States of America or a State thereof or the District of Columbia and such survivor (if not the Guarantor) or such transferee shall assume all the obligations and liabilities of the Guarantor hereunder and as guarantor of the Trust Certificates.

SECTION 7.05. *Increase of User Rates.* The Guarantor covenants and agrees (a) that, if an Event of Default shall happen and be continuing under Section 6.01 (a) hereof by reason of the failure of the Company or the Guarantor to pay, or cause to be paid, to the Trustee within the grace period provided in Section 6.01 (a) hereof, all or any part of the rentals due and payable under Section 5.04 (c) (i), (d) or (e) hereof required for the payment of the principal of or dividends on the Trust Certificates (but not including any principal or dividends payable by reason of acceleration of the date of payment thereof), the Guarantor will, upon written notice by the Trustee so to do, within ten days after receipt of such notice, deliver to all parties to its Form A and Form B car contracts (or such other Forms as may hereafter be used in substitution or

in replacement of such Form A and Form B car contracts) due and proper notice of increases in the car user charges under such contracts. (b) that all car contracts covering any unit or units of railroad equipment of which the Guarantor is the owner or lessee will contain provisions permitting the Guarantor to require such increases and (c) that, unless in connection with an assignment or transfer to a corporation which shall acquire all or substantially all the property of the Guarantor pursuant to Section 7.04 hereof, the Guarantor will not assign or transfer its rights and obligations to require such increases under any such car contracts. Such increases shall commence to accrue and shall be effective on the first day of the first calendar month beginning subsequent to ten days after delivery of such notice by the Guarantor to the parties to such car contracts. Such increases shall be in such amounts or percentages as will cause to accrue and be payable to the account of the Guarantor in respect of the first calendar month during which they are in effect such additional sums of money as will be needed by the Guarantor to enable it to pay all such overdue principal and dividends (with interest on overdue principal and dividends at the Penalty Rate, to the extent legally enforceable) and to cure any defaults in payment of any principal, dividends or interest (or rentals intended to provide for payment thereof) payable under comparable provisions of any other equipment trust, conditional sale or other equipment agreement of the Guarantor not guaranteed jointly and severally by its shareholders or a group of its shareholders (except defaults arising by reason of acceleration of the date of payment of instalments of principal, dividends or interest, or rentals intended to provide for payment thereof), whether heretofore or hereafter entered into, based upon the most recent records or information available to the Guarantor relating to the use of its cars. If for any reason any such increases so made by the Guarantor shall fail to provide in 90 days sufficient cash to enable the Guarantor to cure such default or defaults hereunder and under any other such agreements, or if cash is provided but is not for any reason applied to cure such defaults, the Guarantor will, upon receipt of written notice from the Trustee so to do, promptly make such further increases in its user charges as may from time to time be necessary to enable the Guar-

antor to cure all such defaults hereunder and under such other agreements.

SECTION 7.06. *Covenant Against Prepayment of Subordinated Notes.* The Guarantor covenants and agrees that if an Event of Default hereunder or an Event of Default (as defined in the Lease), or an event which with the lapse of time or the giving of notice, or both, would constitute an Event of Default hereunder or under the Lease shall have occurred and be continuing, it will not voluntarily prepay or retire any of its outstanding Thirty Year Subordinated Notes sold or to be sold pursuant to a Note Purchase Agreement dated as of January 1, 1967, between the Guarantor and certain of its stockholders.

SECTION 7.07. *Further Assurances.* The Company and the Guarantor covenant and agree from time to time to do all such acts and execute all such instruments of further assurance as they shall be reasonably requested by the Trustee to do or execute for the purpose of fully carrying out and effectuating this Agreement and the intent hereof.

ARTICLE EIGHT

CONCERNING THE HOLDERS OF TRUST CERTIFICATES

SECTION 8.01. *Evidence of Action Taken by Holders of Trust Certificates.* Whenever in this Agreement it is provided that the holders of a specified percentage in aggregate principal amount of the outstanding Trust Certificates may take any action (including the making of any demand or request, the giving of any notice, consent or waiver or the taking of any other action), the fact that at the time of taking any such action the holders of such specified percentage have joined therein may be evidenced by any instrument or any number of instruments of similar tenor executed by holders of Trust Certificates in person or by agent or proxy appointed in writing.

SECTION 8.02. *Proof of Execution of Instruments and of Holding of Trust Certificates.* Proof of the execution of any instrument by a holder of Trust Certificates or his agent or proxy and proof of the holding by any person of any of the Trust Certificates shall be sufficient if made in the following manner:

The fact and date of the execution by any such person of any instrument may be proved by the certificate of any notary public or other officer of any jurisdiction within the United States of America authorized to take acknowledgments of deeds to be recorded in such jurisdiction that the person executing such instrument acknowledged to him the execution thereof, or by an affidavit of a witness to such execution sworn to before any such notary or other such officer.

The ownership of Trust Certificates may be proved by the register of such Trust Certificates to be kept as provided in Section 2.03(e) hereof.

SECTION 8.03. *Trust Certificates Owned by Company.* In determining whether the holders of the requisite principal amount of the Trust Certificates have concurred in any direction, request or consent under this Agreement, Trust Certificates which are owned by the Company, by the Lessee or by an affiliate of the Company or the Lessee shall be disregarded, except that for the purpose of determining whether the Trustee shall be protected in relying on any such direction, request or consent, only Trust Certificates which the Trustee knows are so owned shall be disregarded, and except that this Section 8.03 shall not be applicable to the Company or an affiliate of the Company if all the Trust Certificates are owned by the Company or by one or more affiliates of the Company.

SECTION 8.04. *Right of Revocation of Action Taken.* At any time prior to (but not after) the evidencing to the Trustee, as provided in Section 8.01 hereof, of the taking of any action by the holders of the required percentage in aggregate principal amount of the outstanding Trust Certificates specified in this Agreement, any holder of a Trust Certificate may, by filing written notice with the Trustee at the

Corporate Trust Office and upon proof of holding as provided in Section 8.02 hereof, revoke such action in so far as concerns such Trust Certificate. Except as aforesaid, any such action taken by the holder of any Trust Certificate shall be conclusive and binding upon such holder and upon all future holders and owners of such Trust Certificate and of any Trust Certificate issued in exchange or substitution therefor, irrespective of whether or not any notation in regard thereto is made upon such Trust Certificate. Any action taken by the holders of the required percentage in aggregate principal amount of the outstanding Trust Certificates specified in this Agreement shall be conclusive and binding upon the Company, the Lessee, the Trustee and the holders of all the Trust Certificates.

ARTICLE NINE

THE TRUSTEE

SECTION 9.01. *Acceptance of Trust.* The Trustee hereby accepts the trust imposed upon it by this Agreement and covenants and agrees to perform the same as herein expressed.

SECTION 9.02. *Duties and Responsibilities of the Trustee.* In case an Event of Default has occurred and is continuing, the Trustee shall exercise such of the rights and powers vested in it by this Agreement, and use the same degree of care and skill in their exercise, as a prudent man would exercise or use under the circumstances in the conduct of his own affairs.

No provision of this Agreement shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act, or its own wilful misconduct, except that

(a) prior to the occurrence of an Event of Default and after the curing of all Events of Default which may have occurred:

(1) the duties and obligations of the Trustee shall be determined solely by the express provisions of this Agree-

ment, and the Trustee shall not be liable except for the performance of such duties and obligations as are specifically set forth in this Agreement, and no implied covenants or obligations shall be read into this Agreement against the Trustee; and

(2) in the absence of bad faith on the part of the Trustee, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon any certificates or opinions furnished to the Trustee and conforming to the requirements of this Agreement; but in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they conform to the requirements of this Agreement;

(b) the Trustee shall not be liable for any error of judgment made in good faith, unless it shall be proved that the Trustee was negligent in ascertaining the pertinent facts or that its action or inaction was contrary to the express provisions of this Agreement;

(c) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the holders of a majority in aggregate unpaid principal amount of the then outstanding Trust Certificates relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Agreement;

(d) the Trustee may rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, Trust Certificate, guaranty or other paper or document believed

by it to be genuine and to have been signed or presented by the proper party or parties;

(e) the Trustee may consult with counsel, and any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it hereunder in good faith and in accordance with such Opinion of Counsel and not contrary to any express provision of this Agreement;

(f) the Trustee shall be under no obligation to exercise any of its rights or powers vested in it by this Agreement at the request, order or direction of any of the holders of the Trust Certificates, pursuant to the provisions of this Agreement, unless such holders shall have offered to the Trustee reasonable security or indemnity against the costs, expenses and liabilities which might be incurred therein or thereby; and

(g) the Trustee shall not be liable for any action taken by it in good faith and believed by it to be authorized or within the discretion or rights or powers conferred upon it by this Agreement.

SECTION 9.03. *Application of Rentals; Responsibility of Trustee to Insure or Record.* The Trustee covenants and agrees to apply and distribute the rentals received by it under Section 5.04 hereof when and as the same shall be received, and to the extent that such rentals shall be sufficient therefor, for the purposes specified in said Section 5.04.

The Trustee shall not be required to undertake any act or duty in the way of insuring, taking care of or taking possession of the Trust Equipment or to undertake any other act or duty under this Agreement until fully indemnified to its satisfaction by the Company or the Guarantor or by one or more of the holders of the Trust Certificates against all liability and expenses; and the Trustee shall not be responsible for the filing or recording or refileing or rerecording of this Agreement or of any supplement hereto.

SECTION 9.04. *Funds May be Held by Trustee.* Any moneys at any time paid to or held by the Trustee hereunder until paid out by the Trustee as herein provided may be carried as a general deposit and need not be segregated from other funds except to the extent required by law. The Trustee shall not be under any liability for interest on any moneys received by it hereunder except such as it may agree with the Company to pay thereon.

SECTION 9.05. *Trustee Not Liable for Delivery Delays or Defects in Equipment or Title.* The Trustee shall not be liable to anyone for any delay in the delivery of any of the Trust Equipment, or for any default on the part of the Owners thereof or of the Company, or for any defect in any of the Trust Equipment or in the title thereto, nor shall anything herein be construed as a warranty on the part of the Trustee in respect thereof or as a representation in respect of the value thereof or in respect of the title thereto.

The Trustee may perform its powers and duties hereunder by or through such attorneys, agents and servants as it shall appoint, and shall be entitled to rely upon the advice of counsel (who may be counsel to the Company), and shall be answerable for only its own acts, negligence and wilful defaults and not for the default or misconduct of any attorney, agent or servant appointed by it with reasonable care. The Trustee shall not be responsible in any way for the recitals herein contained or for the execution or validity of this Agreement or of the Trust Certificates (except for its own execution thereof), or for the guaranty by the Guarantor, or for any mistake of fact or law.

The Trustee shall be entitled to receive payment of all its expenses and disbursements hereunder, including reasonable counsel fees, and to receive reasonable compensation for all services rendered by it in the execution of the trust hereby created, all of which shall be paid by the Company.

The Trustee in its individual capacity may own, hold and dispose of Trust Certificates with the same rights which it would have if it were not Trustee.

Any moneys at any time held by the Trustee hereunder shall, until paid out or invested by the Trustee as herein provided, be held by it in

trust as herein provided for the benefit of the holders of the Trust Certificates.

SECTION 9.06. *Resignation and Removal; Appointment of Successor Trustee.*

(a) The Trustee may resign and be discharged of the trust created by this Agreement by giving 30 days' written notice to the Company and the Guarantor, but such resignation shall not take effect until receipt by the Trustee of an instrument of acceptance executed by a successor trustee as hereinafter provided in Section 9.07 hereof.

(b) The Trustee may be removed at any time by an instrument in writing signed by the holders of a majority in principal amount of the Trust Certificates then outstanding, delivered to the Trustee and to the Company and the Guarantor.

(c) If at any time the Trustee shall resign or be removed or otherwise become incapable of acting or if at any time a vacancy shall occur in the office of the Trustee for any other cause, a successor trustee may be appointed by the holders of a majority of the aggregate principal amount of the then outstanding Trust Certificates by an instrument in writing delivered to the Company, the Guarantor and the Trustee. Until a successor trustee shall be appointed by the holders of Trust Certificates as herein authorized, the Company and the Guarantor, by instruments in writing executed by order of their Boards of Directors, shall appoint a trustee to fill such vacancy. A successor trustee so appointed by the Company and the Guarantor shall immediately and without further act be superseded by a successor trustee appointed by the holders of Trust Certificates in the manner provided above. Every successor trustee appointed pursuant to this Section 9.06 shall be a national bank, or a bank or trust company incorporated under the laws of the State of New York, having its principal office in the Borough of Manhattan in The City of New York, and having capital and surplus of not less than \$50,000,000, if there be such an institution willing, qualified and able to accept the trust upon reasonable or customary terms.

(d) The Company or the Guarantor shall give notice of each resignation, removal or incapacity of the then Trustee or of a vacancy occurring in the office of the Trustee for any other cause and of each appointment by the Company and the Guarantor of a successor trustee pursuant to paragraph (c) of this Section 9.06 by mailing written notice of such event by first-class mail, postage prepaid, to the holders of all outstanding Trust Certificates.

SECTION 9.07. *Acceptance of Appointment by Successor Trustee.* Any successor trustee appointed as provided in Section 9.06 hereof shall execute, acknowledge and deliver to the Company and the Guarantor and to its predecessor trustee an instrument accepting such appointment hereunder, and thereupon the resignation or removal of the predecessor trustee shall become effective and such successor trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, duties and obligations of its predecessor hereunder, with like effect as if originally named as Trustee herein; but, nevertheless, on the written request of the Company or the Guarantor or of the successor trustee, upon payment of its charges then unpaid, the trustee ceasing to act shall execute and deliver an instrument transferring to such successor trustee all the rights and powers of the trustee so ceasing to act. Upon request of any such successor trustee, the Company and the Guarantor shall execute any and all instruments in writing for more fully and certainly vesting in and confirming to such successor trustee all such rights and powers. Any trustee ceasing to act shall, nevertheless, retain a lien upon all property or funds held or collected by such trustee to secure any amounts then due it pursuant to the provisions of Section 9.05 hereof.

SECTION 9.08. *Merger or Consolidation of Trustee.* Any corporation into which the Trustee may be merged or with which it may be consolidated or any corporation resulting from any merger or consolidation to which the Trustee shall be a party or any corporation succeeding to all or substantially all the corporate trust business of the Trustee shall be the successor of the Trustee hereunder, provided that such corporation shall be qualified under the provisions of Section 9.06

hereof, without the execution or filing of any paper or any further act on the part of any of the parties hereto, anything herein to the contrary notwithstanding.

SECTION 9.09. *Return of Certain Moneys to Company.* Notwithstanding any provision of this Agreement, any moneys paid to the Trustee which are applicable to the payment of the principal of or dividends on any Trust Certificates which remain unclaimed for four years after the day when such moneys were due and payable shall then be repaid to the Company upon Request, and the holders of such Trust Certificates shall thereafter be entitled to look only to the Company for payment thereof and all liability of the Trustee with respect to such moneys shall thereupon cease; *provided, however*, that before the repayment of such moneys to the Company as aforesaid, the Trustee may first publish a notice, in such form as may be deemed appropriate by the Trustee in respect of the Trust Certificates so payable and not presented and in respect of the provisions hereof relating to the repayment to the Company of the moneys held for the payment thereof.

ARTICLE TEN

MISCELLANEOUS

SECTION 10.01. *Rights Confined to Parties and Holders.* Nothing expressed or implied herein is intended or shall be construed to confer upon or to give to any person, other than the parties hereto and the holders of the Trust Certificates, any right, remedy or claim under or by reason of this Agreement or of any term, covenant or condition hereof, and all the terms, covenants, conditions, promises and agreements contained herein shall be for the sole and exclusive benefit of the parties hereto and their successors and of the holders of the Trust Certificates.

or otherwise in respect thereof shall be had against any stockholder, officer or director, as such, past, present or future, of the Company or the Guarantor, or against any beneficiary of a trust for which the Company is acting as trustee, by the enforcement of any assessment or by any legal or equitable proceeding, by virtue of any statute or otherwise; it being expressly agreed and understood that this Agreement and said guaranty are solely corporate obligations, and that no personal liability whatever shall attach to or be incurred by the stockholders, officers or directors, as such, of the Company or the Guarantor or any of them, under or by reason of any of the obligations, covenants and agreements contained in this Agreement or in said guaranty, or implied therefrom, and that any and all personal liability, either at common law or in equity, or by statute or constitution, of every such stockholder, officer or director is hereby expressly waived as a condition of and consideration for the execution of this Agreement and said guaranty.

It is expressly understood and agreed by and between the parties hereto, anything herein to the contrary notwithstanding (except the last sentence of Section 5.04 hereof), that each of and all the representations, covenants, undertakings and agreements herein made on the part of the Company, while in form purporting to be the representations, covenants, undertakings and agreements of the Company, are made and intended not as personal representations, covenants, undertakings and agreements by the Company or for the purpose or with the intention of binding the Company personally but are made and intended for the purpose of binding only the Trust Estate as such term is used in the Trust Agreement, and this Agreement is executed and delivered by the Company not in its own right but solely in the exercise of the powers expressly conferred on it as Trustee under the Trust Agreement; and except in the case of gross negligence or wilful misconduct, no personal liability or personal responsibility is assumed by or shall at any time be asserted or enforceable against the Company, or any beneficiary under the Trust Agreement, on account of this Agreement or on account of any representations, covenants, undertakings or agreements of the Company or any beneficiary under the Trust Agreement,
